NSAA STATE CHAMPIONSHIPS

$4

NSAA®

"NSAA activities...the other half of education."

MAY 8–11, 13–14, 2019

OMAHA

Dear Friends:

Welcome to another competition of Nebraska's state championship games!

Congratulations to the students who have earned a chance to represent your school at this event. This is a very exciting time, and you should all be proud of the time and hard work you put in to get to this point.

Thank you to the coaches, parents, and guardians who support our talented young Nebraskans. Participants, make sure you also take the time to thank those who support you and have helped you succeed in your efforts.

The character, discipline, and drive taught by extracurricular activities like these ensure that students have the ability to succeed long after graduation. These competitions encourage our students to aim big, work hard, and take responsibility for themselves.

Win or lose, you all will take away experiences, friends, and memories that will last for a lifetime.

Best wishes for a safe and exciting competition!

Sincerely,

Pete Ricketts
Governor

"High school activities, the other half of education!"

Congratulations to the student participants, their parents, and the schools they represent on qualifying for the NSAA state championship activities. We welcome you and applaud your hard work and dedication. The time, effort, and commitment you have put into your activity has paid off and you should be very proud of this accomplishment.

The Nebraska School Activities Association is proud of the educational based activities that we provide to our schools for our students. Our mission is to promote the high ideals of citizenship, fair competition, sportsmanship, and teamwork in an effort to complement our member schools' curricular programs.

Perhaps cliché, but definitely true, today's students are tomorrow's leaders. Events like our championships help to form these leaders by instilling values and leadership qualities while rounding out their educational experiences.

None of this would be possible without the incredible dedication and commitment of the many outstanding teachers, coaches, and administrators throughout Nebraska. These educators, together with strong support from parents, patrons, and fans like you, provide our children a solid foundation for their future success.

Once again, congratulations, and good luck!!

Jay Bellar
NSAA Executive Director

STATEMENT OF PRINCIPLE ON CONDUCT

Synopsis

Recently, students in our schools have been experiencing negative, harassing, and bullying conduct during the school day, and at school activities by the spectators attending those events or, and at times by opponents in an activity, that is directed at the school's participants and spectators, often with a racial component. Such conduct is unacceptable and does not reflect the foregoing basic tenants of our society.

It is the responsibility of our organizations to promote and respect the liberty interests of all persons who may participate in or attend any educational endeavor sponsored by our organizations which includes ensuring that common courtesy is shown for all persons, insuring tranquility for all, and being responsible that no one person abuses their liberties to the detriment of other persons.

As the educational leaders of Nebraska's school system, we firmly support Nebraska schools and communities in proactively involving teachers, administrators, students, parents, and community members in developing and maintaining a positive school and community culture that supports learning opportunities for all persons, and ensures that respect and courtesy are shown to all persons.

Conduct by any person that does not show respect for and courtesy of other persons in Nebraska schools and any school activity is prohibited and shall not be tolerated – period.
