NSAA

VOLLEYBALL

NSAA MISSION STATEMENT

The public and non-public high schools of Nebraska voluntarily agreed to form the Nebraska School Activities Association for the following purposes:

- To formulate and make policies which will cultivate high ideals of citizenship, fair competition, sportsmanship and teamwork which will compliment the member schools' curriculum programs.
- To foster uniformity of standards in interscholastic activity competition.
- To organize, develop, direct and regulate an interscholastic activity program which is equitable and will protect and promote the health and physical welfare of all participants.

This Volleyball Manual has been prepared and designed to provide general information for use in the administration of NSAA volleyball competition. It will serve as a guide to the participating schools and will provide for greater consistency between matches. The regulations in this manual shall be considered official unless the schools are notified of a change.

Assistant Director, Jeff Stauss, is the NSAA staff member responsible for administering volleyball and is the person schools with questions regarding this activity should contact. He can be reached at jstauss@nsaahome.org or through Administrative Assistant, Alicia McCoy, amccoy@nsaahome.org.

2.12.2.2 AR Rules Meeting. The NSAA presents rules meetings in order to inform and educate coaches, officials, and judges about NFHS playing rules and rules changes, NSAA guidelines and approved rulings, and to discuss health and safety issues related to activities participation. All head coaches are required to attend an NSAA Rules Meeting or complete an NSAA Rules Meeting online annually. Failure to do so will result in possible late fees and suspension penalties. Online rules meetings are initially offered at no cost to coaches or officials followed by a period with a \$50 "Late" Fee. The following sanctions and fees are applicable to those coaches who fail to complete the rules meeting by the expiration of the "Delinquent" Fee period. Absence from the required rules meeting OR FAILURE TO COMPLETE THE ONLINE RULES MEETING by August 19th will result in the following sanctions:

First Offense in Three-Year Period

The head coach will be suspended from coaching in any competition in that activity until

- (1) The head coach COMPLETES THE NSAA'S ONLINE RULES MEETING OFFERED AT THE LATE FEE OF \$100; and
- (2) The head coach successfully completes the open book test for officials/judges of that activity (70% or higher); and the school's administration verifies that the coach has read all the supporting NSAA, National Federation, and safety information.

During this regular season suspension period, the head coach may continue to coach the team at practices.

Second and Subsequent Offenses in Three-Year Period

The head coach will be suspended from coaching in all NSAA end-of-season play (sub-districts, districts, playoffs, and state competition).

- (1) The head coach COMPLETES THE NSAA'S ONLINE RULES MEETING OFFERED AT THE LATE FEE OF \$200; and
- (2) The head coach successfully completes the open book test for officials/judges of that activity (70% or higher); and the school's administration verifies that the coach has read all the supporting NSAA, National Federation, and safety information.

During this regular season suspension period, the head coach may continue to coach the team at practices.

August 17-18 – Late/Penalty \$50 Fee – Head Coaches

APPROVED RULINGS AND INTERPRETATIONS FOR 2.1.2

Medical Personnel at Regular Season Games. *Severe injuries, sudden illnesses and other critical incidents do not often occur during school activities, but it is important for every school to have an emergency action plan (EAP) for administrators, faculty, coaches and staff members to follow should emergencies occur. Due to lack of universal availability of medical coverage and other logistical reasons, NSAA does not require that schools have a physician, trainer or ambulance on-site at regular season activities; however, each school should have a plan in place should there be an emergency involving students, coaches, officials or spectators requiring medical attention.*

APPROVED RULINGS AND INTERPRETATIONS FOR 2.12.2.2

*All coaches and volunteers are required to complete the NFHS Concussion in Sports, Heat Illness Prevention, and Sudden Cardiac Arrest Training courses **at least once every three years**. These courses should be taken prior to any pre-season or regular season physical workouts that the respective coach would be present for or involved in administering. Any course taken after May 1 would be considered valid for the following school year. **All first year coaches are required to complete all three courses prior to the start of the activity season which they are to coach.***

A heat acclimatization period is required for football, golf, softball, tennis, and cross country. However, consideration should also be taken for any volleyball practices conducted in hot and humid weather in non-air cooled facilities.

APPROVED RULINGS AND INTERPRETATIONS FOR 3.1.1

End of Season for Outside Participation. *A season begins on the first day of allowable practices for that sport, as designated in 3.1.1.2. The season officially ends with the conclusion of the State Championship in that sport. Students may not participate in outside group instruction or competition once the season officially begins, and outside group instruction or competition may not commence until the school varsity team has been completely eliminated from further participation in the sport.*

All scheduled and postponed regular season varsity contests must be played prior to the start of sub-district, district or state competition. Once sub-district, district or state competition begins, no regular varsity contests shall be permitted

Students who are not listed on the NSAA District entry form (and his/her regular season is completed) may participate in outside group instruction or competition of the same sport before the varsity school team has been completely eliminated from post-season competition. Those students who have participated in outside group instruction or competition following their regular season schedule would not be eligible to be placed on the District or State entry form of the same sport and would not be allowed to practice with the varsity team.

3.2 Out-of-season programs. A member school shall not provide support, hold an organized practice or enter students in any non-high school competition in NSAA sponsored sports outside of the defined NSAA season.

APPROVED RULINGS AND INTERPRETATIONS FOR 3.2

Faculty vs. student, alumni vs. student, or parent vs. student contests are not permissible during the season of the sport involved. If such contests are held out-of-season, the organized practice rule must be followed.

3.2.1 “School-Year, Out-of-Season” Definition. “School-year, out-of-season” is defined as that period of time during the school year in which no organized practice can be conducted. The “school-year, out-of-season” period begins on the first day of fall practice and runs until the first allowable date of practice in that sport, and the period after a team or individual has been eliminated from further competition during the championship series of district and state tournaments/meets through Memorial Day or the end of the school year, whichever is later. For non-varsity competition, “school year, out-of-season” begins the day following the last date of interscholastic competition or the last date of the varsity season, whichever is later.

3.2.2 “School-Year, Out-of-Season” Participation. Except during the season of the sport involved, a student may be a member of a non-high school team and compete unattached in non-high school competition. Students are prohibited from wearing high school uniforms during non-high school sponsored competition.

3.2.3 Organized Practice. No organized practice in any sport shall be held during the “school-year, out-of-season” period. An organized practice shall be defined as follows:

APPROVED RULINGS AND INTERPRETATIONS FOR 3.2.3

Students, for example, who work out on their own at the school facility in weight lifting, general calisthenics, running, or agility-type exercises shall not be considered to be involved in an organized conditioning program.

No more than the limit permitted for organized practice may attend and receive instruction. Attendance to “school-year, out-of-season” clinics shall be voluntary. No coach or school representative may directly or by implication direct a student to attend a clinic as a condition for membership on the high school team or restrict the level of team participation within the high school program.

APPROVED RULINGS AND INTERPRETATIONS FOR 3.2.6 and 3.2.6.1

APPROVED RULINGS AND INTERPRETATIONS FOR 3.3.7

Eligibility for Sub-District/District/State Competition

1. *In all athletic activities, teams wishing to enter a sub-district, district, or state contest shall have participated in a minimum of five interschool varsity contests prior to the sub-district, district, or state contest.*
 - a. *Exceptions to the requirements for a team that has not participated in at least five interschool varsity contests would be considered if the team was unable to participate if weather conditions forced a cancellation of scheduled contests. Other extenuating circumstances would be considered by the Executive Director on a case-by-case basis.*
2. *In order to participate in a sub-district, district or state tournament, a student is required to have been a member of the school's team for at least twenty school days prior to the first day of the sub-district, district, or state tournament.*
 - a. *Exceptions to the requirements for a student who is not a member of the school team for twenty school days would be considered if an individual was unable to participate because of illness, injury, or transfer from another high school. School, team, or game suspensions, regardless of the underlying cause, shall not be considered as exceptions to this participation rule.*
3. *To be eligible to participate in a sub-district, district and/or state contest, a student shall have been a member of a school's team and shall have been "available to participate" in at least thirty percent (30%) of the school's scheduled interschool contests.*
 - a. *Exceptions to the requirements for a student who has not been available to participate in at least (30%) of the school's varsity interschool contests would be considered if an individual was unable to participate because of illness, injury, transfer from another high school, or if weather conditions forced a cancellation of scheduled contests.*

b. When determining whether a student has been available for (30%) of the school's varsity interschool contests, one would divide the number of varsity interschool contests for which the student was available by the school's total number of varsity interschool contests; all decimals .1 or above would be rounded up to the next higher whole number.

c. The term "available to participate" means that the student was a bona fide member of the team eligible to participate for the school at some level of competition in the sport and is not suspended from participation in activities by virtue of NSAA rules.

4. For situations pertaining to eligibility to participate in district or state contests that are not specifically addressed by these guidelines, the Executive Director shall have the authority to waive membership and participation requirements on a case-by-case basis.

3.3.7.2 The Executive Director is granted the authority to require schools to alter travel plans to arrive the day prior to the scheduled state contest if weather conditions so warrant. If a school chooses not to travel to the contest site the day prior to the scheduled contest, the school shall understand that the matches will go on as scheduled and if they are unable to arrive prior to the scheduled match time, a forfeit will be issued.

3.5.1 **Outside Participation.** Any student who participates in an athletic contest other than as a representative of her high school during the volleyball season shall become ineligible to represent her school in volleyball for one or more matches or the remainder of the season. (This rule applies to club volleyball, church league matches, independent matches, sand volleyball tournaments and matches where contestants are selected at random, etc.)

3.5.2 **Outside Practices, Tryouts and Participation.** During the season of a sport, a student is permitted to take individualized instruction from a person other than the high school coach. Individualized instruction shall not take the place of the high school practice. Group instruction, practices with outside teams, and tryouts for outside teams other than as a part of a college or university-recruiting visit, however, are not permitted.

3.11.11.3 **Match Limitations.** No team representing a member school may participate in more than **5 tournaments** that have a competition point value of three or more, which includes the conference tournament. No team may exceed **30 competition points** prior to the district and state tournaments.

Competition points are assigned according to the following chart.

1. **Dual match – 1 point**
2. **Triangular match – 2 points**
3. **Double Triangular – 2 points**
4. **Three-team dual/triangular match – 1 or 2 points**
5. **Four-team one-day tournament, 2 match maximum – 2 points**
6. **Four-team round robin tournaments – 3 points**
7. **One-day tournaments of more than four teams – 3 points**
8. **Two or three-day tournaments – 4 points**

The 30-competition point limits pertain to **each level** of competition at which a school may sponsor a team.

Triangular Definition. A **triangular** volleyball match, three schools playing two contests or playing two other schools in one session (night), counts as only one match.

Double Triangular. The NSAA shall permit a **double triangular** in which there are four teams present and each team would play two of the other teams present in a triangular format. The double-triangular must take place in one evening/session. The schedule shall be pre-determined by the host as to which of the four teams will comprise each triangular. The double-triangular format in which each of the schools participates in two pre-determined matches shall count as one match and two competition points.

Three-Team Dual/Triangular. The NSAA shall permit a **dual/triangular**, in which there are three teams present and two teams play one game and one team plays two games. The dual triangular must take place in one evening/session. The schedule shall be pre-determined as to which of the three teams will comprise the dual and the triangular. The dual/triangular format in which each of the schools participates in one or two pre-determined matches shall count as one match.

Tournament Definition. A **tournament** is defined as a contest involving four or more teams in which the winner continues to advance and compete until a single winner is determined or through round-robin competition. A team is required to have a 30-minute rest period only between the second and third matches of a tournament. The 30 minutes includes the warm-up period before the third match. By mutual agreement of the competing schools, the 30-minute rest period can be modified. Rest period between third and fourth match is not required.

A school that violates the team match limitation may be disqualified from district and state tournament competition or subject to penalties as defined in Bylaw 2.11.

Exhibition or unattached participation in inter-high school competition to circumvent game, match or meet limitations shall not be permitted.

Student Limitations. No student shall take part in more than six volleyball matches per week, excluding tournament competition. The matches-per-week limitation does not apply to postponed contests.

No student shall take part in more than four volleyball matches per day in tournament competition. If more than one tournament is scheduled at the same time, the student may only participate in one such tournament.

In all other competition, no student may participate in more than two matches per day.

Any participation during a set of any match counts as participation in that match.

A school that violates the student limitations shall be assessed a point/loss of rally and the student shall be removed from the set. The match shall then continue.

If it is noticed by the scorer or brought to the scorer's attention that a student has violated the student limitation rule, the scorer shall notify the officials who then shall verify the violation and assess the penalty.

Varsity Schedules. All varsity schedules must be submitted on the NSAA website by **Friday, August 18th**. After the season begins, there will be **NO additions**. Cancellations or postponements due to weather must be emailed or called into the NSAA office. All scheduled and postponed regular season varsity contests must be played prior to the start of Sub-District, District, District Final and State competition. Once Sub-District, District, District Final and State competition begins, no regular varsity contests shall be permitted.

Music Licenses. Generally, music used for contests (warm-up, half-time, video production, cheer/dance etc.) needs to be licensed. Some music may be in public domain; however, most music is not and will require a license. This season, take the necessary time to verify your music is licensed through the proper entities. Visit www.nfhslearn.com to view the video course: *Understanding Copyright and Compliance*.

Accommodations for Students with Disabilities. Each state association may, in keeping with applicable laws, authorize exceptions to NFHS playing rules to provide reasonable accommodations to individual participants with disabilities and/or special needs, as well as those individuals with unique and extenuating circumstances. In order to determine if the NSAA can authorize such an accommodation, the school administration should contact the NSAA to request an accommodation hearing.

NSAA Policy on Comments and Negative Actions Against Officials and Judges.

The National Federation of State High School Associations has devised Code of Ethics guidelines for high school coaches. The function of a coach is to educate students through participation in interscholastic competition. The coach or sponsor shall respect and support contest officials and judges. The coach or sponsor shall not indulge in conduct that would incite players or spectators against the officials. Public criticism of officials, judges or players is unethical.

The Nebraska School Activities Association has embraced that Coaches Code of Ethics and has established policies and standards that will cultivate the ideals of good sportsmanship, professionalism and conduct. It shall be the responsibility of each member school to ensure that all individuals directly associated with the interscholastic program conduct themselves in a sportsmanlike and professional manner.

The NSAA Executive Director shall determine the appropriate penalties for violation of this board policy.

2. Administrators will be expected to promptly file a report with the NSAA whenever a participant or coach from their school has been ejected from any high school contest. Such filing must be done online under the AD login section of the NSAA webpage.
3. A participant or coach ejected from a contest for unsportsmanlike conduct shall be ineligible for the next athletic contest at that level of competition and any other athletic contest at any level during the interim.

8. Coaches who are ejected for unsportsmanlike conduct may not coach in any contest or be present at the contest site during the time of their “sit-out” suspension. Coaches who are ejected will also be required to successfully complete the NFHS Teaching & Modeling Behavior online course within 10 days of the ejection. Failure to successfully complete the course will result in a suspension from coaching for the remainder of the season. In those situations in which the ejection of the coach occurs near the end of the season or during the NSAA end-of-season play, the coach will be required to successfully complete the NFHS Teaching & Modeling Behavior online course before being able to coach the following season or year.
9. Coaches who are ejected a second time in a season will be required to sit-out the next two contests at that level, plus all other contests at other levels during the interim. Coaches may not be present at the contest site during the time of their “sit-out” suspension. Any coach ejected a second time will also be required to successfully complete the NFHS Fundamentals of Coaching online course within 10 days of the ejection. Failure to successfully complete the course will result in a suspension from coaching for the remainder of the season. In those situations in which the ejection of the coach occurs near the end of the season or during the NSAA end-of-season play, the coach will be required to successfully complete the NFHS Fundamentals of Coaching online course before being able to coach the following season or year.
10. If the ejection takes place in the final game of the season, the suspension will carry over to the following season.

16. There is no appeal process for ejections for unsportsmanlike conduct.
17. The Executive Director shall reserve the right to consider the length of suspensions when some levels of competition are scheduled on an irregular basis (e.g., three weeks between regularly scheduled non-varsity contests).

In the realm of good sportsmanship, it is the expectation that all student spectators to wear shirts for all sub-district, district, district final and state events. Each individual school shall be responsible for assuring that student spectators are appropriately attired. Participants must keep their uniforms on while in the competition area.

REGULAR SEASON

Classification of Schools

Available online at <https://nsaahome.org/textfile/volley/vbclassifications.pdf>.

1. Schools shall be divided into six classes for volleyball competition.
2. This classification is based on grades 9-11 enrollment from September of the year which immediately precedes the classification period. Class A will be classified based on a total enrollment of 850 and above. Class B, C1, C2, D1 & D2 will be classified using girl only enrollment.
 - a. The top 60 largest schools registered for volleyball shall be in Classes A & B. Schools with a combined enrollment of 850 and above will be placed in Class A. The remaining schools will be placed in Class B.
 - b. The remaining schools registered for volleyball are split evenly into four classes; C1, C2, D1, D2, with the additional school being placed in the lower class.
3. Classifications will be done on a yearly basis, except for Class A.
2023 is the 2nd year of the two-year Class A classification period.

4. If schools are tied in enrollment for the last position or positions of a class, the following tie-breaker will be applied:
 - a. The first tie-breaker will be a three-year average of enrollment which includes the year on which the current year's classification is based and the two previous years. The higher three-year average will be in the larger class.
 - b. If the tie still exists, then the school with the higher immediate previous year's enrollment will be placed in the larger class.
 - c. If a tie still exists, it will be decided by a coin flip in the NSAA office.
5. Opting Up – a school may opt up one classification. The deadline for submitting a request to the NSAA is one week from when classifications are released.

Varsity Matches

4. NSAA Member schools that compete against out-of-state schools are required to submit the match results.

Non-Varsity Matches

Modification of match format is permitted for matches below the varsity level as mutually agreed by the schools.

Out-of-State Contests

Nebraska teams will be allowed to play sets to 21 if that is a rule that governs play in that state. In a best-of-3 match, the third set may be played to 15 points if permitted by that state. When a Nebraska team plays in an out-of-state tournament, the Nebraska school may play up to five matches in one day if that state permits it.

Non-Varsity Uniforms

The uniforms worn by non-varsity teams do not have to be identical. They must have permanent numbers, but duplicate numbers can be on the roster. Duplicate numbers cannot be worn by participants simultaneously during the match.

Multiple Head Coaches

When teams have multiple head coaches, only one head coach is permitted to stand during the match, this must be designated at the pre-match conference.

Varsity Rosters

No more than 14 athletes can be listed on the roster for sub-districts, districts, district finals and state. Regular season contests are excluded from this limitation.

Matches Not Permitted During the State Championship

No volleyball matches in any class, other than the state championship matches, are permitted during the dates of **November 1, 2, 3 and 4**. This includes regular season matches, non-varsity tournaments, and conference tournaments or playoffs.

Official Rules

National Federation Volleyball Rules shall govern all competition.

Officials

NFHS Rule 5-1-1, all officials including scorer, libero tracker, timer and line judges are to be secured by the host school.

Line Judges

Line judges are required to use flags. Line Judges shall be fair and impartial. Line judges shall avoid wearing any attire that makes reference to a school or team. It is preferred that line judges wear white shirts and black pants. Note: the flags should be red in color and of a recommended size of approximately 12 inches by 12 inches to approximately 16 inches by 16 inches. The flag and hand grip should be securely affixed to the pole.

Videotaping and Filming

1. A school may videotape or film the match(es) in which its team plays.
2. Prior permission should be received from the host school.
3. Videotaping or filming a match, in which the recording school is not playing, is not permitted.

Warm-up

There shall be a minimum of 16-minutes warm-up for all interschool matches. The warm-up period shall be divided as follows for district and state competition:

- 5 minutes – Both teams on their sides of the court
- 5 minutes – Home team both sides of the court (to include serving)
- 5 minutes – Visiting team both sides of the court (to include serving)
- 1 minute – Teams at respective benches and on the endline ready for play by the conclusion of the final minute

For varsity regular season tournament play warm-ups may be 11-minutes divided as follows:

- 2 minutes—Both teams on their sides of the court.
- 4 minutes—Home team both sides of the court (to include serving)
- 4 minutes—Visiting team both sides of the court (to include serving)
- 1 minute—Teams at respective benches and by the conclusion of the final minute on the end line ready for play.

During the final minute of the warm-up, teams must return to their respective benches. By the conclusion of the final minute, the players who will be introduced (if doing player introductions) must be on the end line. After player introductions/National Anthem, the R1 will whistle for the teams to shake hands at the net. Then the starting players must immediately take their positions on the court for line-up checks, and the non-starters shall return to the team bench.

When a team is allowed both sides of the court, it may practice any skill including serving. While the team is allowed both sides of the court, the other team ***must be completely off of the 30' x 60' playing court, and the playable area adjacent to the playing court.***

It is not automatically within the authority/duties of the referee to dictate the warm-up schedule. If the match officials are to direct warm-ups, meet management should make prior arrangements with the officials.

It shall be the official timer's responsibility to notify each team when it is time to change drills.

Non-varsity warm-up shall be as listed unless the schools mutually agree to other arrangements.

Team Benches

Per NFHS allowances, teams will remain on one designated side of the court and occupy the same team bench throughout the match.

Wildcard System

All matches played by a school's varsity team regardless of the location of the opposing school will count toward the competition point limit in volleyball. All contests played against the varsity teams of schools located within Nebraska and against the varsity teams of schools located in other states will be used to determine the wildcard point average.

Wildcard point averages will be used to seed sub-districts, districts, district finals and the state championships. District Final seeding will be completed once all of the sub-districts and districts are completed.

Results of matches will be used to:

1. Calculate wildcard point averages (total number of points divided by the number of contests played)
2. To determine the win and loss record for designating a team as a first, second, third, or fourth division team.

The following point evaluation scale will be used to determine a team's total points:

	1 st Division	2 nd Division	3 rd Division	4 th Division
	Team	Team	Team	Team
Victory Over	50 points	47 points	44 points	41
Loss To	39 points	36 points	33 points	30

- A 1st division team is a team, which has won at least 75% of its matches played.
(Examples: 20-0, 19-1, 18-2, 17-3, 16-4, 15-5.)
 - A 2nd division team is a team, which has won at least 50% but less than 75% of its matches played.
(Example: 14-6, 13-7, 12-8, 11-9, 10-10.)
 - A 3rd division team, which has won at least 25% but less than 50% of its matches played.
(Examples: 9-11, 8-12, 7-13, 6-14, 5-15.)
 - A 4th division team is a team, which has won less than 25% of its matches played.
(Examples: 4-16, 3-17, 2-18, 1-19, 0-20.)
1. No points are deducted for playing teams which are classified below your classification.
 2. Class A schools will be awarded 2 bonus points when competing against other Class A schools.
 3. In competition with schools one classification above yours, 2 bonus points will be awarded.
 4. In competition with schools two classifications above yours, 3 bonus points will be awarded.
 5. In competition with schools three classifications above yours, 4 bonus points will be awarded.
 6. In competition with schools four classifications above yours, 5 bonus points will be awarded.
 7. FORFEITS: Teams shall receive wildcard points for forfeited losses if the forfeit was due to extenuating circumstances between the two schools. Schools that are required to forfeit a game or games by the Executive Director or the Board of Directors shall count such contests as one of the permissible contests under the contest limitations for that sport. Such mandated forfeitures shall count as loss wildcard points.
 8. FORFEITS: When a school's varsity team is unable to complete the season, those remaining teams on that school's regular season schedule may either:
 - a. Receive forfeit wins for those scheduled contests and shall be awarded wildcard points for those forfeit wins. Wildcard points will be determined by the forfeiting team's record at the time of seeding for post-season competition. If a team declares to participate in the postseason and does not participate, forfeit wins will be issued to their opponents for those postseason contests.
 - OR**
 - b. If more than seven days remain before any level of postseason seeding is to take place in that sport, a school may replace the forfeited contest on their schedule with another opponent/contest. Replacements that may be added to the schedule are limited to either teams similarly affected by the forfeiting team, or, teams that have an unfilled, allowable contest opening on their schedule. Replacement contests must be scheduled a minimum of seven days in advance of any postseason seeding and will count towards postseason/wildcard seeding.
 9. If a tie exists for a seed in any class, the following procedure will be used to break the tie.
 - a. If only two teams have identical point averages and are tied and the teams have played each other, the team that won the contest or the majority of contests between the two teams in question wins the tiebreaker.
 - b. In Class A if the two teams have not played each other or if more than two teams are tied, step C will be used to determine which team qualifies for the state tournament. In Classes B/C1/C2/D1/D2 if the

two teams have not played each other or if more than two teams are tied, step D will be used to determine the seed.

- c. In Class A if a tie still exists, or if more than two teams are tied, the team or teams playing the greatest number of first division teams in their classification will be selected. If two teams are still tied, step (a) will apply before going to step (e).
 - d. In Classes B/C1/C2/D1/D2 if two or more teams have identical point averages and are tied, the team or teams playing the greatest number of first division teams will be selected. If two teams are still tied, step (a) will apply before going to step (e).
 - e. If a tie still exists, the team's opponents' wins and losses will be totaled and the winning percentages calculated. The team whose opponents have the highest percentage based on this calculation wins the tiebreaker.
 - f. If a tie still exists, the winner will be decided by a coin flip in the NSAA office.
10. Schools must report out-of-state win-loss records to the NSAA. Win-loss records not reported to the NSAA will be recorded as a fourth-division team until such information is provided.
11. When determining the classification of an out-of-state school for wildcard purposes, if the school's three-grade enrollment is less than the lowest enrollment in a particular class, the out-of-state school shall be classified in the immediate lower class. The enrollment of Nebraska schools opting-up to play in a higher class will not be considered when comparing out-of-state schools for classification purposes.
- a. If two or more schools are tied for the final place in a particular class, the tie is broken by using the schools' three-year average enrollment for the most recent three years. When determining the classification of an out-of-state school for wildcard purposes, if the out-of-state school's three-grade enrollment is identical to the enrollments shared by schools in two different classes, the out-of-state school shall be placed in the higher class.

12. Out-of-state win-loss records will be included thru the following dates for seeding purposes:

- a. Sub-district/district seeding: **October 17, 2023**
- b. District Final seeding: **October 24, 2023**
- c. State Championship seeding: **October 27, 2023**

 - a. If there is no bonus, each school may be assessed a proportional part of the expenses.
 - b. These expenses may not be listed as tournament expenses.

Inclement Weather

1. Snowstorms or other inclement weather may force the postponement of a sub-district or district contest.
2. In determining whether to postpone or to hold the contest(s) as scheduled, the director should consider the following factors:

4. Once the decision has been made to hold the event as scheduled and any team has begun to travel, the contest(s) shall be played.
5. If the tournament director feels a postponement is necessary, he/she shall get permission from the Executive Director before postponing the day's activities.
