LINCOLN – The Nebraska School Activities Association (NSAA) is pleased to announce Truck Center Companies (TCC) as a supporting partner of the NSAA.

The partnership will encompass all NSAA activities with an emphasis on the State Wrestling and the State Dual Wrestling Championships.

“We are excited to begin this relationship with Truck Center Companies,” said NSAA Executive Director, Dr Jim Tenopir. “This partnership aligns with our vision of associating with Nebraska-based organizations that value our educational mission and commitment to promoting healthy lifestyles for Nebraska participants.”

Truck Center Companies is one of the largest Freightliner dealerships in America with locations throughout Nebraska, Kansas and Iowa.

“Truck Center Companies is proud to partner with NSAA in all sports for this upcoming school year,” said Kathy Campagna, TCC Advertising Manager. “We believe hard work is the foundation of success in sports as well as business. Oodles of our employees are former high school athletes and we attribute our success to their commitment.”

TCC President and CEO, Trey Mytty adds, “My dad, Tekamah-Herman High School wrestling coach Guy Mytty, was always about three things with the guys who were his wrestlers. ‘Always give everything you have. Learn to win and to lose with dignity. And that if you gave your all, you had been successful.’”
