

**EXECUTIVE DIRECTOR  
Nebraska School Activities Association**

The Nebraska School Activities Association located in Lincoln, Nebraska, is seeking candidates for the position of Executive Director to assume duties on or about July 1, 2018.

The Executive Director is responsible for all operations of the association to include budgeting, student eligibility, legal, and personnel management. The Executive Director oversees a staff of seven Assistant Directors and five support staff with a budget of nearly \$4.5 million. This person will direct the organization of state championships for over 300 member high schools in 22 separate athletic and fine arts activities.

Minimum requirements will include a minimum of a masters degree in education or a related field; at least five years of successful experience in a high school association, school administration or a related field; and experience in managing business operations.

The salary for this position is competitive and commensurate with the qualified candidate's experience and training. A competitive benefits package will be provided, including health insurance, 403(b) matching plan, life insurance and paid vacation.

Application materials must be completed and returned by November 15, 2017. Applications may be emailed to [jtenopir@nsaahome.org](mailto:jtenopir@nsaahome.org), or mailed to:
