

FOOTBALL SCHEDULES FOR 2010 AND 2011 SEASONS FOR CLASSES A-B-C1-C2-D1-D2

In January of 2010, the Nebraska School Activities Association (NSAA) staff will again establish the football schedules for all of its member schools. The classification period and schedules will be for two years – the **2010** and **2011** football seasons for Classes A-B-C1-C2-D1-D2. Football is the only NSAA activity that has a two-year classification period.

The **TENTATIVE** time schedule this year will be very similar to the schedule used two years ago by the NSAA staff to establish the schedules for the 2008 and 2009 football seasons. The schedule followed by the NSAA staff is dependent on receiving the enrollment figures the NSAA member schools have turned into the Nebraska Department of Education on the School District Membership Report as of the last Friday in September 2009. These figures historically have been available to the NSAA sometime between December 1 and December 15. *Please refer to page 8 of the 2009 NSAA Football Manual for more information on the NSAA Football Classification.*

The TENTATIVE time schedule for this project will be as follows:

- 1. November 6** –The deadline for member schools to have a football coop approved for the 2010 and 2011 football seasons will be the November 6, 2009 NSAA Board of Control meeting. No cooperative sponsorships in football for 2010 and 2011 football seasons will be accepted or permitted after November 6, 2009.
- 2. November 30** – The deadline for schools to submit their declaration of participation in 11-man, 8-man or 6-man football. Those schools with a three-grade enrollment (9th-11th grades) in excess of 83 may only qualify for the 11-man football playoffs, unless they're within the one-classification waiver period. (If you have questions about the one-classification waiver period, please contact the NSAA office.)
- 3. December** – The NSAA staff will establish the classifications and district assignments for the 2010 and 2011 football seasons. Once these are completed and the schools are notified via the Internet, the schools will be asked to submit a priority list of non-district schools they would like to have on their 2010 and 2011 football schedules – Classes A-B-C1-C2-D1-D2. The NSAA office will mail out or e-mail to all member schools more detailed information on this process in December.
- 4. January 2010** – The NSAA staff will establish the football schedules for the 2010 and 2011 football seasons for all member schools in Classes A-B-C1-C2-D1-D2.
- 5. February 3, 2010** – The completed two-year schedules along with the two-year home and away designations for Classes A-B-C1-C2-D1-D2 will be released on the NSAA Internet web site (www.nsaahome.org) at **9:00 A.M. central time.**
