Tuesday, October 12—Championship second round (18 holes). Starting about 9:30 AM.

NSAA GOLF CHAMPIONSHIP SPECTATORS & COACHES GUIDELINES

1. Spectators may be on the course observing the golfers, but they must remain a distance from all golfers. A distance of 50 feet would be an acceptable separation.
2. Spectators can applaud a player or group of players and they may offer encouragement to one player, as long as it is not distracting to other players in the championship.
3. Spectators may not walk side-by-side with participants. They may not sit with them during a waiting period on the course.
4. Spectators must avoid being on greens and tee boxes and they should remain off the fairways.

5. Violation of the separation rule may result in a two-stroke penalty after a warning by tournament officials. Failure to abide by the separation rule after a two-stroke penalty is applied could result in disqualification.
6. Schools are expected to communicate with their own golfers and spectators and enforce this policy themselves.
7. Head Coaches may coach their golfers between greens and tees.
8. Coaches, other than the Head Coach, may be out on the course during competition if not part of the work force. If so, they fall under the category of spectator and must follow the above rules.
9. The clubhouse area between the ninth green and tenth tee is a time when players and spectators would not be required to maintain the above-mentioned distances. Coaches could, at this time, meet with their players and discuss any aspect of golf.
10. People carrying cell phones or pagers on the golf course must turn off the ringer. Those who do not will be asked to turn off the phone or pager and risk being removed from the golf course by tournament officials.
11. Spectators are not allowed to rent golf carts to follow golfers. Only those people meeting the criteria of the Americans with Disabilities Act will be allowed to rent a cart during the State Championship. People meeting these criteria must be approved by the NSAA staff member at each course. The NSAA staff member will need to see a handicapped placard from a car or a note from a physician in order to approve the use of a golf cart. Qualifying spectators must pay the regular rate charged for cart rental by each course. Please make sure your spectators are aware of this NSAA Policy.
