Signed: _____
(Coach)

(Principal)

STATEMENT OF REFEREE

The competitive conditions were in compliance with NFHS rules. An anemometer, as prescribed by rules, was used. There was no tailwind exceeding 4.474 miles per hour (or 2 meters per second) at any time during the record performance for any race that is not run around the complete oval of the track, plus long and triple jumps. I officially endorse this application for a state record.

(Note: The referee should state any exceptions he/she desires to make to the foregoing statement. He/she should also describe the conditions of the track or field, the force and direction of the wind, slope of landing area, and any other matters which might in any way influence the results of the performance.)
