Re: High School Rules of Golf Workshops

The Nebraska Golf Association will conduct its traditional series of free regional Rules of Golf seminars for high school players and coaches this spring and fall. We feel it's a great opportunity for both players and coaches to learn more about the Rules of Golf.

The program lasts about 1 hour and 45 minutes and will offer a variety of rules scenarios for attendees to choose from. This year the material will be presented in an entertaining game show format which places student-athletes in common rules situations.

Attendees will receive a complimentary Rules of Golf Book.
