- b. *The term, "school's scheduled interschool contests," is defined as those contests which appear on the school's varsity schedule at the beginning of the season. An exception to this requirement will be considered if a student was unable to participate because of injury, illness, or had transferred from another high school. During the season of a particular sport, athletes participating in that sport for a high school may attend, but may not physically take part, either as an individual or as a member of a team, in the sport activity in which instruction is being offered in the clinic, camp, or school. At no time during the high school sport season can a student who is a member of the school squad in that sport compete in non-school organized competition in any skill of the sport. A person maybe considered to be a participant without being an official entry in the competition. The phrase "compete in non-school organized competition in any skill of the sport" is interpreted to mean to take part in any skill of the sport of season. For example, a student out for cross country or track would become ineligible to represent the high school if he/she participates in a road race or a marathon. A student on the high school basketball team would become ineligible if he/she participates in a free throw contest, 1 on 1, 2 on 2, 3 on 3, 4 on 4 basketball contest, or other similar contest. A student out for high school football will become ineligible if he competes in a punt, pass and kick contest. A wrestler shall not participate in a non-school takedown tournament during the wrestling season.*

An exception to this rule may be granted by the Executive Director for special circumstances. Schools must contact the Executive Director in advance of the event to determine whether an activity would qualify under this exception.

If prizes or awards are provided for such participation, such awards need to be in compliance with NSAA guidelines. Awards to individuals for activity participation in the form of cash, merchandise certificates, or any negotiable instrument are not allowed. A student may participate as an individual, without loss of interscholastic eligibility under the following conditions:

- (a) *As a member of a national team (and the actual direct tryouts) which is defined as one selected by the National Governing Body of the sport on a national qualification basis, either through a defined selective process or actual tryout for the purpose of international competition which requires entries to officially represent their respective nations.*
- (b) *In an Olympic Developmental Program, which is defined as a training program or competition.*
 - (1) *Conducted or sponsored by the United States Olympic Committee (USOC), or*
 - (2) *Directly funded and conducted by the USOC member national governing body on a national level (e.g. NGB national championship and direct qualification therefore); or*
 - (3) *Specifically authorized by a national governing body involving only athletes previously identified by some qualifying procedure by the national governing body as having potential for future participation in regional,*

- national, or international competition in the sport involved.*
- (4) *Coaches from schools involved with an Olympic Development Program must adhere to the organized practice rule.*
- (c) *While representing the National Federation as a member of its United States national entry in an International School Sport Federation event.*
- (d) *In an athletic contest sponsored by a non-high school organization, provided the individual has qualified prior to the sports season through actual competition in a meet or series of meets which were designated in advance by the sponsoring organization as qualifying meets. Times, distances, placement, or performance in high school competition shall not be considered as qualifying criteria.*
- (e) *Provided in a, b, c, and d, such participation has been approved by the high school principal and the Nebraska School Activities Association. The high school principal and the coach of the sport involved must approve the request for a waiver of Section 3.5. The school then may request a waiver from the Nebraska School Activities Association. If the student(s) has not qualified for the competition through actual competition in a meet or series of meets which were designated in advance by the sponsoring organization as qualifying meets, or the competition is not a part of the United States Olympic Development Program, a waiver may be granted provided the student(s) does not represent his/her school in varsity competition of the sport involved for the same number of days in which he/she participated in the non-school competition. Requests for the certification of distances or times attained in state meet competition shall be submitted by the individual along with information on how these marks are to be used. In order to be considered, the use of such marks must meet established minimum qualifying standards and competition must be open to any athlete meeting such standards. Certification of times or distances will not be given if qualification is based upon placement in a contest sponsored by the membership of the Nebraska School Activities Association.*

Q: My daughter wants to run in a fun run in support of the Susan G. Komen Race for the Cure while she is out for Cross County, can she do this?

A: Not without the approval of the Executive Director.

- 3.5.2 **Individual Instruction.** During a season of a sport, a student is permitted to take individual instruction from a person other than the high school coach at times other than scheduled high school practice sessions, but such instructions shall not interfere with, nor be substituted for the high school coaching, practice sessions, or contest.

APPROVED RULINGS AND INTERPRETATIONS FOR 3.5.2

During a season of a sport, a student is permitted to take individual instruction from a person other than the high school coach. Group instruction, practices with outside teams, and tryouts for outside teams other than as part of a college or university recruiting visit, however, are not permitted.

The following section is not located in the NSAA bylaws or Approved Rulings:

ADDITIONAL CONSIDERATIONS FOR NSAA GOLF PARTICIPATION

Girls have been permitted to compete on the Boys Golf team of their respective school given their school not sponsor a girls' team in the fall. If a school sponsors girls' golf, girls cannot participate in the boys' golf program at the school in the spring. Boys must play only in their designated golf season.

NSAA SPORTSMANSHIP GUIDELINES & EJECTIONS

(NSAA APPROVED RULING JUNE 2, 2009)

1. Enforcement of the “sit-out rule” for ejections from high school contests for unsportsmanlike conduct is a responsibility of the member school. Failure to properly enforce this rule could result in other sanctions by the NSAA.
2. Administrators will be expected to promptly file a report with the NSAA whenever a participant or coach from their school has been ejected from any high school contest. Such filing must be done online under the AD login section of the NSAA webpage.
3. A participant or coach ejected from a contest for unsportsmanlike conduct shall be ineligible for the next athletic contest at that level of competition and any other athletic contest at any level during the interim.
4. Enforcement of the “sit-out rule” is expected to begin immediately, regardless whether it is regular-season or tournament play.
5. Any participant ejected a second time during a season from a contest for unsportsmanlike conduct shall be ineligible for the next two contests at that level of competition and all other athletic contests at any level during the interim, in addition to other penalties the NSAA or school may assess.
6. Any participant ejected a third time during a season from a contest for unsportsmanlike conduct shall be ineligible for the next three contests at that level of competition and all other athletic contests at any level during the interim, in addition to other penalties the NSAA or school may assess.
7. During the time of their “sit-out” suspension, athletes who are ejected for unsportsmanlike conduct may not suit up or participate, but it is the school’s discretion whether such athlete is able to travel with the team or sit on the team bench.
8. Coaches who are ejected for unsportsmanlike conduct may not coach in any contest or be present at the contest site during the time of their “sit-out” suspension. Coaches who are ejected will also be required to successfully complete the NFHS online course “Teaching and Modeling Behavior” within 10 days of the ejection. Failure to successfully complete the course will result in a suspension from coaching for the remainder of the season. In those situations in which the ejection of the coach occurs near the end of the season or during the NSAA end-of-season play, the coach will be required to successfully complete the NFHS online course “Teaching and Modeling Behavior” before being able to coach the following season or year.
9. Coaches who are ejected a second time in a season will be required to sit-out the next two contests at that level, plus all other contests at other levels during the interim. Coaches may not be present at the contest site during the time of their “sit-out” suspension. Any coach ejected a second time will also be required to successfully complete the NFHS Fundamentals of Coaching online course within 10 days of the ejection. Failure to successfully complete the course will result in a suspension from coaching for the remainder of the season. In those situations in which the ejection of the coach occurs near the end of the season or during the NSAA end-of-season play, the coach will be required to successfully complete the NFHS Fundamentals of Coaching online course before being able to coach the following season or year.
10. **If the ejection takes place in the final game of the season, the suspension will carry over to the following season.**
11. **When schools have students or coaches with multiple ejections, the school shall submit to the NSAA a written management plan on how they plan to remediate the problem.**
12. Officials will be expected to file with the NSAA an ejection report for any ejection of a player or coach from a contest online. Any unusual situation that occurs prior to, during, or after a contest should also be reported.
13. Prompt reporting to the NSAA office by the official is necessary. Officials are asked to submit their electronic report or call the NSAA office by the day following the ejection.
14. Officials are asked to be specific in listing the reason(s) for an ejection.
15. Affiliated officials (officials registered from contiguous states) will also be required to perform this reporting function.
16. There is no appeal process for ejections for unsportsmanlike conduct.
17. The Executive Director shall reserve the right to consider the length of suspensions when some levels of competition are scheduled on an irregular basis (e.g., three weeks between regularly scheduled non-varsity contests).

CODE OF CONDUCT

Violations within the rules of golf may be cause for penalty or disqualification. **Objectionable conduct** by a player, reported to the Rules Committee during or after a competitor’s round may also be cause for action under USGA Rule 33-7. Objectionable conduct includes, but is not limited to, foul language, equipment throwing, abuse of the golf course or officials, or any unbecoming conduct. The NSAA may also suspend the player from future tournaments or events and/or expel them from the District Tournament or NSAA Golf Championship if the action warrants removal.

Review golf course etiquette with your players during the season and before postseason events. As an educational activity, high school players need to model the highest standards of acceptable golf course conduct. The NSAA should not receive complaints about unfixed ball marks on greens, divots not being replaced in fairways, sand traps not being raked, or clubs and balls being thrown in anger during high school events. Instruct players to always display respect for the golf course, for the rules of the game, their competitors, rules officials and themselves.

STEROID POLICY

The Nebraska School Activities Association (NSAA) and the National Federation of State High School Associations (NFHS), strongly oppose the abuse of anabolic steroids and other performance-enhancing substances by high school student-athletes. Such use violates legal, ethical and competitive equity standards, and imposes unreasonable long-term health risks. The NSAA and the NFHS support prohibitions by educational institutions, amateur and professional organizations, and governmental regulators on the use anabolic steroids and other controlled substances, except as specifically prescribed by physicians for therapeutic purposes.

SMOKELESS TOBACCO BAN

The NSAA Board of Directors has approved the following regulation: During district or state competition in activities sponsored by the Nebraska School Activities Association, the use of smokeless tobacco by any participant is prohibited. If a participant or substitute is detected using smokeless tobacco during competition, that individual shall be disqualified from participation in further competition in that contest.

NSAA GOLF GUIDELINES:

RULES OF PLAY

The current edition of the United States Golf Association Rules of Golf, combined with local course ground rules, and NSAA rules and regulations shall govern play. Each school has the responsibility to instruct its players on the rules of golf and to see that these rules are followed during competition.

RULES OFFICIALS

The NSAA does not register rules officials in the sport of golf. Each host school shall be responsible for securing rules officials for the events for which it hosts, and for negotiating with those rules officials for their compensation. Please supply your rules official with the respective NSAA Manual and local rules.

AMATEUR GUIDELINES

1. The NSAA does not make pro-amateur determinations. Anyone declared a pro (in violation of amateur codes) by the United States Golf Association (USGA) cannot participate in high school golf. The Association encourages all schools to remind their golfers of the USGA amateur code. High school players should never receive cash instead of merchandise from any amateur events. To do so, even when other "amateur" players take the cash, is a violation of the code.
2. To play high school golf, a student must have amateur status by United States Golf Association standards. The key sections of these standards are:
 - A. **Professionalism makes a student ineligible:**
 1. Receiving payment of compensation for serving as a professional golfer or identifying oneself as a professional golfer.
 2. Taking any action for the purpose of becoming a professional golfer.
 - B. **Prize Money:**

Playing for prize money or its equivalent is not allowed in a match, tournament or exhibition. Note: A player may participate in an event in which prize money or its equivalent is offered, provided that prior to participation the player irrevocably waives the right to accept prize money in that event.
 - C. **USGA Merchandise Limit:**

USGA Rule 3-2a permits for an amateur golfer to accept a prize in the form of merchandise or a prize voucher up to a retail value of \$750. USGA defines a "prize voucher" as a voucher or gift certificate issued by the Committee in charge of competition for the purchase of goods from a professionals' shop or other retail source. (Examples of prize vouchers that are acceptable under the Rules of Amateur Status include a gift certificate to a golf shop, department store, on-line store, etc. Also, gift cards, such as a VISA or American Express gift card, are permissible provided the recipient redeems the full amount for merchandise and does not exchange any portion of the card for cash.)

ELECTRONIC DEVICES

1. Golfers are not allowed to use a cell phone or any other type of electronic device during competition unless otherwise stated.
2. Non-competitors carrying cell phones or pagers on the golf course must turn off the ringer. Those who do not will be asked to turn off the phone or pager and risk being removed from the golf course by tournament or meet officials.
3. The penalty for Breach of USGA Rule 8 – Advice:
 - a. Match Play – Loss of Hole
 - b. Stroke Play – Two Strokes

DISTANCE MEASURING DEVICES

1. The NSAA membership voted to approve the use of DISTANCE MEASURING DEVICES (DMDs) effective as of August 2015 golf season. Range finders that are stand-alone devices (laser & GPS devices) are permitted for use during regular season and NSAA post season competition to measure DISTANCE only. Devices capable of measuring conditions other than distance, that might assist the player is not permitted. This would include but not limited to wind/slope or club selection. Cell phones, and therefore cell phone apps are NOT permitted during competition.
2. Players and designated head coaches are encouraged to share distance information upon request with all competitors. Players will not go out of their way to hold up play, but can shoot distance from their position on the course and relay that information to another player upon request.
****Spectators will not be allowed to provide this information or assist golfers in any way.**

SPECTATOR GUIDELINES

1. Spectators may be on the course observing the golfers, but they must remain a minimum of 50 feet in distance from all golfers. Spectators must avoid being on greens, tee boxes, and fairways.
2. Spectators can applaud a player or group of players and they may offer encouragement to one player, as long as it is not distracting to other players in the tournament.
3. Violation of this section during a tournament or meet may result in a warning by tournament or meet officials. Additional offenses may result in a two stroke penalty and potentially disqualification.
4. Schools are expected to communicate with their own golfers and spectators and enforce this policy themselves.
5. Coaches, other than the Head Coach, may be out on the course during competition but will fall under the 'SPECTATOR' category and must abide by the respective spectator rules..
6. Non-competitors carrying cell phones or pagers on the golf course must turn off the ringer. Those who do not will be asked to turn off the phone or pager and risk being removed from the golf course by tournament or meet officials.
7. Please see full "Fan/Spectator Support Items" document for additional guidelines.

COACHING AND ADVICE DURING COMPETITION –

1. Only the Head Coach will be allowed to coach and to give advice under the following provisions:
 - a. Only one (1) designated team Head Coach may coach and give advice.
 - b. USGA Rule 8 entitled "Definition of Advice" must be used.
 - c. Coaching/advice may be given only when all golf balls of the players in a group are no longer in play after each hole.
2. Head Coaches who elect to coach and advise their players during matches must not make rulings on matters of play that are the responsibility of the meet director, tournament committee, or rules officials.
3. Head Coaches should assist in promoting the proper 'Pace of Play'. A player in violation of USGA Rule 6-7, "Undue Delay," will be assessed a two-stroke penalty for the first offense and disqualified from competition for the second offense.
4. No players, assistant coaches, parents or spectators are permitted to coach or offer advice while out on the golf course, to any player who is competing during regular season matches or matches in the NSAA Districts or NSAA State Championships.

SUPERVISION

1. Teams and/or individual participants shall not be permitted to compete unless accompanied by the head coach (as defined by NSAA), a school administrator, or a certificated faculty member. This includes, regular season, districts and state championship competitions.
2. Directors of all tournaments will follow these regulations. **Unsupervised golfers will not be permitted to compete.** Schools withdrawing sponsorship for any competing student(s) must inform the NSAA Director of Golf of such withdrawal of supervision immediately.
3. Proper supervision needs to remain a priority during practice rounds and during regular season, district and state championship competition.
4. Coaches who elect to play during practice rounds for NSAA post-season events are subject to regular course fees and must maintain the role of supervisor for the team while students are representing their school as golf team members.
5. Coaches who elect to play during regular season events must maintain their supervisory role and in no way impede or interfere with student competitors on the golf course.

CADDIES AND CARTS

1. Caddies are not permitted for NSAA competition.
2. Competitors may not use motor-driven golf carts except with the appropriate documentation and expressed permission of the NSAA.
3. Players may use non-motorized pull carts.

MEDIA – STUDENT MEDIA, MEDIA CREDENTIALS & BROADCASTING

All media operations (admission, access and accommodations) for *Regular Season* contests are at the Host School discretion. The NSAA Media Manual outlines policies for Media Credentials, Student Media, Broadcasting Policies and other specifics surrounding NSAA post-season contests.

Post-season contests include: Districts, Sub-Districts, Sub-State, Playoffs and State Championships.

The Media Manual is posted on the NSAA website's Media Page. <http://nsaahome.org/media-info/>

NSAA GOLF CLASSIFICATIONS

GIRLS' GOLF schools are divided into three classes for district and state competition. Based on the total enrollment figures used for the classification of schools in all NSAA activities, **Class A** consists of the 32 largest schools playing girls' golf during the current classification period. The next 32 schools will be placed in **Class B**. The remaining schools registered for girls' golf are placed in **Class C**.

BOYS' GOLF schools are divided into four classes for district and state competition. Based on the total enrollment figures used for the classification of schools in all NSAA activities, **Class A** consists of the 32 largest schools playing boys' golf during the current classification period. The next 48 schools will be placed in **Class B**. The remaining schools registered for boys' golf will be divided equally into **Class C** and **Class D**.

DISTRICT COMPETITION

DISTRICT SITES

District host sites are determined by the NSAA office based on interest shown from member schools indicating a desire to host. The **Application to Host 2015-2016 District/Sub-District Event** form is found on the NSAA website through the school A. Director's page.

1. The NSAA office requested member schools to indicate who would serve as district hosts. Sites are selected based upon application, with consideration given to facility specification, travel distance and more.
2. District sites will provide practice round time for schools involved, if desired. Practice rounds are to be pre-arranged with host golf courses and according to their operational policies.
3. It is permissible for participants to walk the district course the day of the tournament and observe pin placements prior to actual play.
4. The director of the tournament must assure that reasonable accommodations are made for handicapped or special needs individuals. Such accommodation requests should be submitted for approval through the NSAA office.

GIRLS GOLF DISTRICTS

The Girls' District Golf Tournaments will be held on **October 5 and 6, 2015**. The District hosts, sites and Class B & C school assignments will be posted to the NSAA website once all have accepted the hosting contract. Class A District Tournament assignments will be released on September 22, 2015.

Class A:

1. Class A schools are the 32 schools with the largest enrollment playing girls' golf and are assigned to four districts.
2. All Class A schools competing in a minimum of three VARSITY 18-hole stroke-play competitions will be assigned to four Districts using a serpentine method based on seeding determined by regular season team scoring average differentials. Team average differentials are team score (four lowest players' combined scores) minus (course rating from tees used x four players) = differential). *The school with the lowest average differential is placed in District 1, the next lowest in District 2, the next lowest in District 3, the next lowest in District 4, the next lowest back in District 4, the next lowest in District 3, etc., until all 32 schools are assigned. Assignments will be released two Tuesdays before the district tournaments.*
3. Class A schools hosting regular season meets shall *report to the NSAA office the following results **within 48 hours** of the competition:
 - a. the name of the golf course played,
 - b. the names of each team including individual team members with individual and team scores,
 - c. the course rating (for holes on the correct side) played from the tee box used for the competition.

*Reports are submitted on-line from the AD's or golf coaches' personal page at www.nsaahome.org.

*Note: Some teams that play junior varsity (JV) teams in varsity events will lower their placement as far as district ranking if those teams are listed as varsity teams. To avoid this, coaches should list these teams as JV teams when entering a varsity tournament. **Only varsity team scores should be reported to the NSAA office for seasonal differential team tracking.***

All season meets hosted on or prior to the third Friday before the district golf tournament, (September 18, 2015) are to be reported to the NSAA office by the meet's host director, or by the participating team's coach or AD if the varsity meet is out of state or not hosted by a Class A school.

4. Any schools not competing in at least **three** VARSITY 18-hole stroke-play competitions will be placed at the bottom of the seeding list in the order of their AVERAGE DIFFERENTIALS, lowest above highest on the list and placed in the sequential district.
5. District tournament host schools and specific golf courses will be selected before the season begins in order to secure hosts and golf courses for the events. After post-season seeding, the host schools will be assigned to one of the four districts so there is one host-school per district. The NSAA Director of Golf will make the simplest one-team trades between districts so that host teams with the closest average differentials to a team in another district are switched. Schools are not allowed to host consecutive years unless necessary.

Class B:

1. Class B schools are the next 32 schools with the largest enrollment playing girls' golf.
2. Class B schools are assigned to four districts on a geographic basis, varying from a west-to-east pattern with north and south considered to reduce travel.
3. The listed enrollments for Class B were used except for schools in a cooperative, which resulted in their enrollments being combined.

Class C:

1. Class C is made up of the remaining schools playing girls' golf.
2. Class C schools were assigned to five districts on a geographic basis, varying from a west-to-east pattern with north and south considered to reduce travel.
3. The listed enrollments for Class C were used except for schools in a cooperative, which resulted in their enrollments being combined.

BOYS GOLF DISTRICTS

The Boys' District Golf Tournaments will be held on **May 16 and 17, 2016**. The District hosts, sites and Class B, C and D school assignments will be posted to the NSAA website once all have accepted the hosting contract. Class A District Tournament assignments will be released on May 3, 2016.

Class A:

1. Class A schools are the 32 largest schools playing boys' golf and are assigned to four districts.
2. All Class A schools competing in a minimum of four VARSITY 18-hole stroke-play competitions will be assigned to four Districts using a serpentine method based on seeding determined by regular season team average differentials. Team average differentials are team score (four lowest players' combined scores) minus (course rating from tees used x four players) = differential). *The school with the lowest average differential is placed in District 1, the next lowest in District 2, the next lowest in District 3, the next lowest in District 4, the next lowest back in District 4, the next lowest in District 3, etc., until all 32 schools are assigned. Assignments will be released two Tuesdays before the district tournaments.*
3. Class A schools hosting regular season meets shall *report to the NSAA office the following results **within 48 hours** of the competition:
 - a. the name of the golf course played,

*Note: Some teams that play junior varsity (JV) teams in varsity events will lower their placement as far as district ranking if those teams are listed as varsity teams. To avoid this, coaches should list these teams as JV teams when entering a varsity tournament. **Only varsity team scores should be reported to the NSAA office for seasonal differential team tracking.***

All season meets hosted on or prior to the third Friday before the district golf tournament, (April 29, 2016) are to be reported to the NSAA office by the meet's host director, or by the participating team's coach or AD if the varsity meet is out of state or not hosted by a Class A school.

4. Any schools not competing in at least four VARSITY 18-hole stroke-play competitions will be placed at the bottom of the seeding list in the order of their AVERAGE DIFFERENTIALS, lowest above highest on the list and placed in the sequential district.
5. District tournament host schools and specific golf courses will be selected before the season begins in order to secure hosts and golf courses for the events. After post-season seeding the host schools will be assigned to one of the four districts so there is one host-school per district. The NSAA Director of Golf will make the simplest one-team trades

between districts so that host teams with the closest average differentials to a team in another district are switched. Schools are not allowed to host consecutive years unless necessary.

Class B:

1. Class B schools are the next 48 schools with the largest enrollment playing boys golf.
2. Class B schools are assigned to four districts on a geographic basis, varying from a west-to-east pattern with north and south considered to reduce travel.
3. The listed enrollments for Class B are used except for schools that are in a cooperative, which results in their enrollments being combined.

Class C and D:

1. Classes C and D are made up of the remaining schools playing boys' golf equally divided between C and D.
2. Class C and D schools are assigned to five districts each on a geographic basis, varying from a west-to-east pattern with north and south considered to reduce travel.
3. The listed enrollments for Classes C and D are used except for schools that are in a cooperative, which results in their enrollments being combined.

DISTRICT ENTRIES AND DEADLINE DATES

1. **District Entry Deadline:** NSAA entry forms are now accessed and submitted online. The athletic/activities director will give the certified coach the login to this activity. Go to the NSAA web site (www.nsaahome.org) and click on "School Login." Select your school, enter your login, and then choose "View/Edit Your Form" to complete your entry form (detailed instructions can be obtained from the web site). You will need to print this form when it is completed and e-mail a copy to the district director. You do NOT need to fax it to the NSAA. You may make changes to this form up until the due date. After that, you will need to contact the host director of your district tournament.
2. Girls District Golf entries are due **September 28, 2015**.
3. Boys District Golf entries are due **May 9, 2016**.
4. Each school may enter five or fewer competitors. Schools must have four players' scores to be eligible for team honors.
5. Eligible students may substitute for students entered previously up until the district tournament pre-round check-in is completed by each head coach on the day of the event.

ONE-DAY DISTRICT TOURNAMENT

1. The District Golf Tournament is a one-day tournament covering 18 holes.
2. A team's five players who begin the tournament are the players who will provide the team scores.
3. Final team standings will be based on the four best totals from any of the team's players who competed.
4. If the full 18 holes of the District Tournament are not completed, 9 holes will constitute a complete tournament. (All golfers must have played the same 9 holes.)

DISTRICT DIRECTORS

1. Persons appointed District Directors by the NSAA shall be responsible for the administration of the meet to include: greens fees **and all costs**, publicity, tee-off times, securing adult scoring monitors and tournament workers, special instructions if necessary, score recording, prompt completion of NSAA report, and pre-tournament communication with schools about the District meet.
2. District Directors will use the information available on the NSAA website and provided to them by participating coaches to match players in tournament playing groups (girls-threesomes; boys-foursomes or threesomes) according to similar ability.

PRE-TOURNAMENT MEETING

The District Tournament Director shall attempt to conduct a meeting prior to the start directed at coaches and tournament participants to go over rules, regulations, and directions, which will govern play during the tournament.

COACHES NOT PERMITTED TO PLAY ON DAY OF DISTRICT TOURNAMENT

Due to concerns about proper supervision of golfers at the District Tournament site and concerns about assuring uninterrupted play on the District Tournament course, coaches are NOT permitted to play golf on the District Tournament course on the day of the District Golf Tournament.

DISTRICT AWARDS/TIES

1. Medals will be awarded at each district to individuals finishing first through tenth. Plaques will be awarded to the district team champions and runners-up.
2. In case of a tie in the district team championship for first, second or third places, the four golfers who comprise the team score for the tied teams will play an additional hole (or holes) until the tie is broken, using the sudden-death system.
3. The competitor having the lowest score after eighteen holes will be named the individual champion. Ten individuals will be awarded medals at districts.
4. In case of a tie for first place, those involved in the tie will play an additional hole (or holes) until the tie is broken, using the sudden-death method, to determine a first place district champion. All other individual ties will be broken using a scorecard playoff sudden death method beginning with the number 1 handicap hole and continuing in handicap hole order until the tie is broken.
5. The scorecard playoffs are to determine medal winners, not state qualifying positions. The state qualifiers include the top 10 individuals, plus ties, if there are ties involved. More than 10 people can qualify for state. Only 10 medals will be presented. Therefore, any scorecard playoffs are for the medals only.

QUALIFYING FOR NSAA CHAMPIONSHIP

1. The first three teams and the first ten individual places plus ties in each district will qualify for the NSAA Championship, using medal play.
2. Playoffs will be used in case of ties for the NSAA Championship 'TEAM' qualifying spots.
3. Schools that do not finish as one of the top three teams in the District cannot qualify for team honors at the NSAA Championship, even though that school may have qualified at least four individual golfers through individual placement at Districts.
4. A school which qualifies for the NSAA Championship may play any five *eligible* players at the championship. They do not have to be the same people who played at the district tournament. Any roster changes to the State Championship team should be communicated to the NSAA office to reflect such changes and ensure scorecards, scoreboards and tee times will be accurate. Any substituted player will be assigned the same tee-time of the player being replaced.

SCORING MONITORS AND SCORING

1. At district tournaments adults will be assigned to accompany each group to assist with speed of play and monitor scoring. If golf carts are necessary, the costs are the responsibility of the teams competing in the district.
2. Each player and the person keeping that player's score shall be required to confirm the player's score immediately after each hole is completed and prior to tee-off on the next hole.
3. The District Director is responsible for securing the scoring monitors and the work force for the tournament. They are allowed to assign coaches these duties (or a person a school might send to take the coach's place) in the work force. Coaches will not be assigned to groups involving their own golfers. If schools are to bring someone, they should receive ample notification that this will be necessary.

SCORECARD SIGNING

1. In district tournament play, at the completion of eighteen holes, the Head Coach should review the scorecard with each player on his/her team. Each scorecard needs to be signed by the scorekeeper and the competitor.
 - a. A scorecard should not be presented to tournament officials until the player and scorer agree to its hole-by-hole accuracy.
 - b. Tournament officials shall not accept a scorecard without both signatures.
 - c. Once accepted, the card becomes official.
 - d. One of the basic premises of golf is that a player's actual strokes taken on a hole are recorded accurately on the scorecard.
 - e. Coaches must instruct their players on their responsibilities as a marker or scorer.

NSAA CART RENTAL POLICY:

The NSAA limits the use of motorized carts during the District Golf Tournament. Only Rules Officials, Scoring Monitors and Media Personnel are allowed to have a cart on the course. Spectators are not allowed to rent carts to follow the golfers. Individuals meeting the criteria of the Americans with Disabilities Act will be allowed to rent a cart during the District Tournament. Permission must be verified and approved by the Tournament Director.

INCLEMENT WEATHER - DISTRICTS

1. Snowstorms or other inclement weather conditions may force the postponement or shortening of a district contest.
2. If the full 18 holes of the district tournament cannot be completed, nine holes will constitute a complete tournament (all competitors must have played the same nine holes).
3. In determining whether to postpone or to hold the contest(s) as scheduled, the director should consider the following factors:

- A. The weather and road conditions at the site of the contest.
 - B. Existing weather and road conditions at the location of the schools which are to compete that day.
 - C. Road conditions between tournament site and the competing schools.
 - D. The weather conditions immediately prior to, during, and following the contest, as reported by the weather bureau.
 - E. The conditions of the golf course.
3. If after considering the various factors, the tournament director determines that competition is to go on as scheduled; all schools are to be notified early enough so as to allow each team sufficient time to travel to the contest site.
 4. Once the decision has been made to hold the event as scheduled and any team has begun to travel, the contest(s) shall be played.
 5. If the tournament director feels a postponement is necessary, he/she shall get permission from the NSAA Executive Director before postponing the day's activities.
 6. Once the tournament has been postponed, the director shall be responsible for setting the new time, date, and site, if necessary, for the continuation of the tournament.
 7. The previously agreed upon schedule may have to be changed to allow the contest(s) to be completed by the required dates.
 8. Neither tournament receipts nor funds from the NSAA are to be used to reimburse any school for additional expenses incurred because of a postponed contest.

INCLEMENT WEATHER- STATE CHAMPIONSHIPS

1. The NSAA Golf Championship is intended to be a two-day event covering 18 holes each day.
2. If 36 holes of the event cannot be completed, 18 holes will constitute a complete championship.
3. Weather conditions that may impact play include severe meteorological conditions (i.e. thunderstorms, snow, hail, ice pellets, freezing temperatures, high winds and heavy rain) which may endanger competitors & event staff and/or make the golf venue unplayable. The tournament committee is the responsible authority for all decisions required due to inclement weather regarding suspension, resumption, postponement or cancellation of play due to adverse weather conditions, golf course conditions, or the resulting unavailability of necessary event personnel.
4. If weather or golf course conditions impact the beginning or continuation of the event, the following policy will be employed:
 - a. The Day 1 round will be started if possible and if started and at least 50% of the field completes 18-holes, the remainder of the Day 1 round will be completed on Day 2 before the final 18-holes is attempted. Time will be allotted to change hole locations on the golf course between 18-hole rounds on Day 2.
 - b. If the Day 1 round cannot be started or if started, at least 50% of the field does not complete 18-holes, Day 2 will be used for Round 1's completion with the following options possible:
 - 1) The starting time of any delayed round may be altered.
 - 2) If further delays occur or play is suspended due to darkness before the Day 2 Round is completed by all competitors, the event will be shortened to 18-holes because of weather conditions, golf course conditions or the resulting unavailability of championship workforce personnel.

SPECIAL NSAA SCORECARDS AND USGA RULES BOOKS

1. The NSAA has developed and printed some golf scorecards for use at contests, which are designed to reduce the chance for a scorekeeping error.
2. The cards have an area where the marker can keep their own score. The area is perforated. At the end of the round, the perforated area may be torn from the card and the marker can lay it on the official card to compare the hole-by-hole recordings. These cards can be used at any golf competition. The hole length and par areas are blank.
3. When used at NSAA Championships, the NSAA prints par and distance on each hole.
4. Scorecards are available in packages of 50 cards for \$8.00 (including postage). United States Golf Association "The Rules of Golf" rules books are available for \$3.00 each (including postage).

Both are listed on the "Order Form for Rules Books" under the "Administration Forms" section of the NSAA website:
