BASEBALL

Fifty-three schools played baseball during the 2011 season. Class A consisted of the top 26 teams. The remaining schools were placed in Class B. Classes A and B used a serpentine method to arrange district play. Class A advanced six district champions and two wild-card teams (Omaha Westside and Millard North) to the state tournament. Class B advanced six district champions and two wild-card teams (Omaha Skutt Catholic and Norris) to the eight-team field.

The State Baseball Championships were played May 14, 16, 17, 18, 19 and 23 in Lincoln. The state championship used a double-elimination format for the 13th year, but used the "Legion Bracket" where all remaining teams the are alive in the tournament are required to play every day.

Sherman Field hosted first round games and elimination games for Class A. Hawks Field at Haymarket Park served as a state championship site for Class A & B winner's bracket games. Den Hartog Field hosted first round games and elimination games for Class B. Rain on May 19 and 20, forced the state tournament to be postponed, and a conflict with University of Nebraska games, forced the Class B championship finals to be played at Sherman Field on May 19. While the Class A finals were played at Haymarket Park on May 23.

Assistant Director Jim Angele served as the championship director. Site directors from the Lincoln Public Schools were Karen Hand, John Henry, and Adam Bonesteel. Butch Hug of the University of Nebraska was the facility director for Hawks Field. Paid Attendance: 6,294.

2011 DISTRICT TRACK AND FIELD

These performances can be set at NSAA district competition, without regard to wind velocity or usual record verification, and are called best performances (although most people call them records). If these performances are to be submitted by schools for NSAA state record consideration, they must meet the state records standards, i.e. wind gauge on short races and other specifications listed in NSAA Track and Field Manual. Preference will be given to fully automatic times.

Nebraska High School Track and Field State Records

The Nebraska School Activities Association maintains two sets of state records-(1) State Records (St) for any performance during the entire track season, including the state meet, and (2) State Meet Record (SM) for performances during the state track meet only. Each school is responsible for submitting applications for state records achieved prior to the state meet. Basic requirements for state record consideration:

1. Track event must be conducted at metric distances.
2. Performances will be considered only from meets involving five or more schools being run according to National Federation/NSAA rules.
3. Performances must be certified on an NSAA record application form. List also includes previous year's gold medal winner.

Explanation: A/St means Class A State Record, A/SM means Class A State Meet Record

VOLLEYBALL

The 40th State Volleyball Championships were held on November 11, 12 and 13, 2010 with Debra Velder, NSAA Associate Director, serving as championship director.

Competition was offered in six classes. In Class A, there were seven district champions and one wild-card team that qualified for the state championships. The Class A wild-card team was Omaha Burke. In the other five classes, the six district champions automatically qualified for the state tournament and two wild-card teams were chosen to complete the field of eight teams in each class. The Class B wild-card teams were Gretna and Lincoln Pius X. In Class C1, Columbus Scotus and Syracuse earned wild-card berths, while in Class C2, Southwest and Hartington Cedar Catholic earned wild cards. For Class D1, Cedar Valley and West Point Central Catholic were wild-card qualifiers and in D2 Lawrence-Nelson and Hay Springs won the wild cards.

This was the sixth year for rally-scoring and a best-of-five format was used for state championship matches as the tournament moved to the Grand Island and Hastings. The Heartland Center hosted Class A matches on Thursday as the NSAA used a three-day format for the event. Single courts were used at Grand Island, Grand Island Central Catholic, Northwest, and Hastings High Schools. Hastings College also hosted first round matches. The Heartland Events Center and Grand Island High School hosted semifinal matches on Friday. All finals were at the Heartland Events Center on Saturday, November 13, while third-place matches were played at Grand Island and Northwest High Schools. Paid attendance: 36,250.

2010-2011 CUP STANDINGS

The Nebraska School Activities Association is pleased to announce the final standings for The U.S. Cellular Cup, the NSAA All-Activities Award for Nebraska high schools. The annual awards program, which began in 2007 to recognize the state's most successful high school athletic and fine arts programs, is presented to the 12 Nebraska high schools which earn the most points during the school year by participating in NSAA education-based activity programs.

The U.S. Cellular Cup is presented to the winning schools in the four classes of the All-School Division, Girls Division and Boys Division during special ceremonies the following fall.

U.S. Cellular Cup Details & Point System

Each year the NSAA and U.S. Cellular recognize the most successful activities programs in the state with the U.S. Cellular Cup. U.S. Cellular Cup winners are determined by a point system based on participation in NSAA education-based activities and performance in state championship events within each division and class. Music, which does not have a state-level event, earns points based on participation at the district music contest.

The boys and girls competition in each class features schools earning participation and performance points from their respective activities. In the case of coed schools, the fine arts activity performance points are divided equally among a school's boys and girls U.S. Cellular Cup totals. In the all-school division, schools receive participation points for each of its NSAA registered programs, and earn additional points for placing in NSAA championship events.
