Dear Friends:

Welcome to another exciting Nebraska School Activities Association championship competition!

Congratulations to the students who have qualified for this year's championship. Your success is a testament to long hours of practice and preparation.

Nebraska's families, schools, and communities are passionate supporters of our students competing in extracurricular activities. Thank you to the parents, grandparents, coaches, and fans who have cheered them on this season.

Extracurricular activities are a valuable component of education. They develop character and teach important skills like teamwork, fair play, and perseverance. These skills will serve students well as they graduate and take on leadership positions in society.

Regardless of the outcome, I hope the competition is enjoyable and provides you with memories that last a lifetime. Best wishes for a safe and successful championship!

Sincerely,
Pete Ricketts
Governor

Congratulations to the student participants, their parents, and the schools they represent on qualifying for the NSAA State Championship activities. We welcome you and applaud your hard work and dedication. The time, the effort, and the commitment you have put into your activity has paid off and you should be very proud of this accomplishment.

The Nebraska School Activities Association is proud of the educational based activities that we provide to our schools for our students. Our mission is to promote the high ideals of citizenship, fair competition, sportsmanship, and teamwork in an effort to complement our member schools' curricular programs.

Perhaps cliché, but definitely true, today's students are tomorrow's leaders. Events like our Championships help to form these leaders by instilling values and leadership qualities while rounding out their educational experiences.

None of this would be possible without the incredible dedication and commitment of the many outstanding teachers, coaches, and administrators throughout Nebraska. These educators, together with strong support from parents and guardians, patrons, and fans like you, provide our children a solid foundation for their future success

Once again, congratulations, and good luck!
