- 2.6.2.1** **Guardianship does not fulfill the definition of a legal parent.** If a guardian has been appointed for a student, the student is eligible in the school district where his/her legal parent(s) have their domicile. Individual situations involving guardianship may be submitted to the Executive Director for review and a ruling.
- 2.6.3** A student entering grade nine for the first time after being promoted from grade eight of a two-year junior high, or a three-year middle school, or entering a high school for the first time after being promoted to grade ten from a three-year junior high school is eligible. After a student makes an initial choice of high schools, any subsequent transfer, unless there has been a change of domicile by his/her parents, shall render the student ineligible for ninety school days.
- If a student has participated on a high school team at any level as a seventh, eighth, or ninth grade student, he/she has established his/her eligibility at the high school where he/she participated. If the student elects to attend another high school upon entering ninth or tenth grade, he/she shall be ineligible for ninety school days.
- Student eligibility related to domicile can be attained in the following manners:**
- 2.6.9.1** If the change in domicile by the parents occurs during a school year, the student may remain at the school he/she is attending and be eligible until the end of the school year or transfer to a high school located in the school district where the parents established their domicile and be eligible.
- 2.6.9.2** If the domicile is changed during the summer months and the student is in grade twelve and the student has attended the high school for two or more years, the student may remain at the high school he/she has been attending and retain eligibility.
- 2.6.9.3** If a student elects to remain at the high school where he/she initially enrolled after being promoted from grade eight of a middle or junior high school, or grade nine of a junior high school, he/she is eligible at that school, or is eligible at a high school located within the school district in which the parents established their domicile.
- 2.6.10** If the legal parents of a student change their domicile from one school district that has a high school to another school district that has a high school, the student shall be eligible immediately in the school district where the parents established their domicile.
- 2.7.7** Nebraska transfer students whose name appears on the NSAA transfer list prior to May 1 shall be eligible immediately in the fall. Those students whose name does NOT appear on the NSAA transfer list prior to May 1 shall be ineligible for ninety school days, with such transfers being subject to hardship waiver guidelines.
- 2.7.8** Nebraska transfer students must have signed and delivered all forms necessary to make such transfer to the school in which he/she intends to enroll for the 2017-2018 school year prior to May 1, 2017; for the student to be eligible. The school to which the transfer is being made must have notified the NSAA office via an NSAA online transfer form, no later than May 1, 2017. The student would become ineligible for ninety school days the next fall if the student were to change his/her mind and decide not to transfer. If such student were to transfer to the new school, but later decides to return to his/her former district before 90 school days have elapsed, such student will be ineligible in the former district for 90 school days, with the ineligibility period commencing at the start of the fall semester. Those students, who did not have their enrollment forms signed, delivered and accepted prior to May 1, 2017, shall be ineligible for ninety school days, with such transfers being subject to hardship waiver guidelines.
- 3.5 / 3.1** Once the season of a sport begins, a student shall participate in practices and compete only in athletic contests/meets in that sport, which are scheduled by his/her school. Any other competition will render the student ineligible for a portion of, or all of, the season in that sport. The season of a sport begins with the first date of practice as permitted by NSAA rules.
- 3.5.1** During the season of a particular sport, athletes participating in that sport for a high school may attend, but may not physically take part, either as an individual or as a member of a team, in the sport activity in which instruction is being offered in the clinic, camp or school. *(Refer to 3.5.1.1 for exception in Swimming & Diving.)
