RULES SUMMARY FOR NORFOLK COUNTRY CLUB (CLASS A)

The following summary of this year's host course is provided to teams in advance so they'll be better prepared for state golf from a Rules of Golf perspective. We encourage participating teams to review this document prior to their arrival at **NORFOLK COUNTRY CLUB**.

See the NSAA's course set-up for specific championship yardage.

Front Nine - Hole #2 - Out of Bounds along the right & behind the Putting Green identified by white stakes & defined by a white line. **Hole #6** - Out of Bounds along the right identified by white stakes & defined by a white line. **Hole #7** - Out of Bounds along the right identified by white stakes & defined by a white line.

Back Nine - Hole #10 - Out of Bounds along the right defined by white stakes & lamp posts & behind the Putting Green defined by fence posts. **Hole #11** - Out of Bounds along the right defined by fence posts & behind the Putting Green identified by white stakes & defined by a white line. **Hole #13** - Out of Bounds behind the Putting Green identified by white stakes & defined by a white line. **Hole #14** - Out of Bounds along the right side and behind the Putting Green identified by white stakes & defined by a white line. The turf nursery along the right is a no play zone that is to be treated as an abnormal course condition, it constitutes all of the area cut to Putting Green height or less.

As a reminder, if a ball is Out of Bounds, the player must take stroke-and-distance relief by adding one penalty stroke and playing a ball from where the previous stroke was made (see Rule 14.6). Artificial objects defining or showing Out of Bounds may not be moved; free relief is not allowed.

All flower and plant beds are to be treated as Ground Under Repair so players may receive relief for physical interference from these areas. In addition please note that the green 150 yard posts located near the fairway are Movable Obstructions.
