

NSAA GIRL'S GOLF CHAMPIONSHIP
October 14-15, 2019
CLASS D – LAKE MALONEY GOLF COURSE, NORTH PLATTE
(DRAFT VERSION 10/3/2019)

NOTICE TO COMPETITORS

(This information supplements the Local Rules and Terms of the Competition for 2019 NSAA Golf Championships & Events)

1. **Deciding Ties:** In the event of a tie for first place in the individual or team competition, a hole-by-hole play-off will determine the champion. See the NSAA Golf Manual for play-off procedure.
2. **Teeing Ground:** The Green Tee-Markers define the teeing area.
3. **Scoring Area:** A scorecard is treated as returned when the player has left the scoring area, unless the player, prior to leaving, verbally informs a Scoring Official, and it is acknowledged, of her intention to leave the scoring area and immediately return.
4. **Out of Bounds:**
 - a. Out of Bounds is defined by white lines in addition to white stakes and fence posts. When defined by white lines, the line itself is out of bounds.
 - b. **Hole 5** – Out of Bounds is defined by the split-rail fence left of the green, in addition to white stakes.
 - c. **Hole 9** – Out of Bounds is defined by the white stakes along the left and behind the green. The white line on the cart path does NOT define out of bounds.
 - d. **Hole 11** – Out of Bounds is defined by the barbed wire fence posts on the right side.
 - e. **Hole 15** – Out of Bounds is defined by the white line along the right side and around the green. The white stakes identify the Out of Bounds, and the white line defines it.
5. **Ground Under Repair:**
 - a. Decorative Flower and Plant Beds. When enclosed by cart paths or adjacent to immovable obstructions they are treated as a single abnormal course condition.
 - b. The excavation area left of No. 7.
6. **Immovable Obstructions** include, but are not limited to:
 - a. Artificially Surfaced Roads and Paths including those surfaced with crushed brick, wood chips, gravel or asphalt.
 - b. Immovable Obstructions Adjacent to Each Other are to be treated as a single immovable obstruction.
 - c. Sprinkler Heads on Putting Greens. In addition to relief for physical interference, a player also receives relief for interference along the line of play if the ball lies on the putting green.
 - d. **Immovable Obstructions Close to Putting Greens:** Relief from interference by an immovable obstruction may be taken under Rule 16.1. The player also has an extra option to take relief when such immovable obstructions are close to the putting green and on the line of play: If the ball is in a closely mown area (fairway height or less) in the General Area - The player may take relief under Rule 16.1b if an immovable obstruction is: On the line of play, and is within two club-lengths of the putting green, and within two club-lengths of the ball. Exception - There is no relief under this Local Rule if the player chooses a line of play that is clearly unreasonable.
7. **Temporary Immovable Obstructions:**
 - a. **Relief on Either Side:** Model Local Rule F-23 is in effect and includes any temporary immovable obstruction installed for the championship. If a player has either physical interference or line of sight interference from any TIO and is entitled to relief, as an additional option, she may take relief on the other side of the TIO along the arc without penalty. When taking relief on the other side of the TIO, the player may only take relief under the TIO Local Rule, not Rule 16.1.
8. **Integral Objects:**
 - a. Any part of the retaining wall, netting and rock bed that is in bounds, left of the Putting Green on hole 5 (free relief not permitted). Individual stones associated with the rock bed are considered loose impediments. The split-rail fence is a boundary object, as noted on line 4b above (free relief not permitted).
9. **Final Decisions on Any Disputed Points** will be made by Jeff Stauss, NSAA; Ben Vigil, NGA and Tim Fuqua, Lake Maloney GC.
