Re: High School Rules of Golf Webinars

The Nebraska Golf Association will conduct two free Rules of Golf webinars for high school players and coaches this spring. We feel it's a great opportunity for both players and coaches to learn more about the new Rules of Golf, which went into effect on January 1, 2019.

Traditionally, we have conducted a series of regional seminars across the state. In 2020, we are going to try something a little different by conducting two live webinars using an online webinar solution called GoToWebinar. We feel this will allow us to reach a bigger audience in a more efficient and cost effective manner.

The program will last about 1 hour and 30 minutes and will cover the major changes and common Rules situations that your student-athletes will run into. Coaches and players will also have the ability to submit questions in real-time using a chat feature.

The dates and times of the webinars are as follows:

SPRING

Day	Date	Time
Monday	March 16	4 p.m. CST
Monday	March 23	4 p.m. MST

IMPORTANT: Invites with links register the webinars will be sent to coaches on **Wednesday, March 11th**. Please call me at the NGA office – (402) 505-4653 ext. 104 or e-mail jahrens@nebgolf.org should you have any questions.
