## **NEBRASKA SCHOOL ACTIVITIES ASSOCIATION COACHING GUIDELINES**

Coaching shall be permitted during a match with the following guidelines:

- Only the head coach of the high school as designated by that school's administration is allowed to coach.
- A player may be coached during a set break and when the player(s) change ends at the end of a game, but not when the player(s) change ends after the first game of each set and during the tie-break game.
- Coaching is limited to 60 seconds.
- The player does not leave the court.
- The coach does not enter the court.

Head coaches designated by the school's administration will be issued a wristband that the coach must wear for the entire championship. This wristband will designate the assigned head coach as the only person who is allowed to coach their athletes.

In addition to enforcement by opposing coaches, the court supervisors will be monitoring the coaching rule.

Thank you for your cooperation.
