Play Your Perfect Game.

The Baden Perfection® 15-0™ Volleyball

EXCLUSIVE COVER

The Perfection's **exclusive leather cover material** is 33% thicker than traditional game balls while its special light weight internal construction keeps the ball at official weight. The result is the softest, truest feeling game ball in the world.

VX5E Volleyball

LIGHT-WEIGHT BUTYL BLADDER

Baden's state of the art bladder was developed to accommodate the exclusive leather cover of the Perfection® volleyball. This butyl bladder is the lightest ever used for volleyball. It provides the optimum weight, performance, and durability. . . a key component of Total Feel Technology™.

STEALTH SOFT-VALVE SYSTEM™

PATENT PENDING

By re-engineering the entire valve system, including the valve core and valve housing, Baden has softened the entire valve panel creating a 100% consistent feel throughout ALL 18 panels. Combined with the cushioning surrounding the hidden, recessed, undetectable valve, players no longer experience the pain associated with hard, exposed valves found on all other volleyballs. Eliminating the one panel associated with errant digs, sets, and spikes makes Baden the most accurate playing volleyball.
