John isn't a Husker. But at Nebraska Orthopaedic & Sports Medicine and Saint Elizabeth Regional Medical Center, he gets treated like one.

Nebraska Orthopaedic and Sports Medicine and Saint Elizabeth Regional Medical Center are Nebraska's premier sports medicine facilities, where everyone gets treated like a Nebraska champion. Whether you're a scholarship athlete, fighting for a spot on the team, or a weekend athlete, searching out the absolute best sports medicine care is essential to your success on the field following injury.

As Husker Team Physicians and the Official Hospital of the University of Nebraska Athletics, we offer you the same care we extend to Husker athletes. Using the most current management techniques, both clinically and surgically, our physicians and facilities assure injured athletes the best opportunity to go out and compete at their absolute best once again. Our care and advanced specialized training in sports medicine also gives athletes a chance to have their injuries addressed in the least invasive manner possible, ensuring the quickest and safest means back to play.
