Students are to report to their assigned rooms for competition as scheduled. The contestants must perform twice, each before one judge. Rank will be tabulated in each event. Six entries in each event with the lowest rank total will be advancing to the final round.

Finalists will be announced and posted in the Sports Center as soon as possible after the completion of the last preliminary round. Please do not leave until you are certain you are not in the finals. Room assignments for finals are in this program.

There will be an awards ceremony as soon as the tabulations from the final round are complete. Medals will be awarded to the top six individuals in all events. Sweepstakes championship and runner-up trophies will be presented to the top two schools and an award will be presented to the directors of sweepstakes championship schools.

Events are scheduled in more than one building on campus. In order to keep the contest running on schedule, it is important for competitors to arrive at the designated room by the time that round is scheduled to begin.

Contestants will normally speak in the order of their appearance in the program. However, some switching of this order may be necessary if a contestant has qualified in two events during the same hour. If a student has a conflict, the judge or contest director shall be notified of the change.

Preliminary ballots will be available immediately following each round at the registration desk. Finals ballots will be available immediately following the awards ceremony. Only directors are to pick up ballots. Judges will not be available for explanations of judgment decisions.

WEBCASTING

Live webcasting will be produced for all events scheduled in Rooms 238D and 238E of the Union each day. Please make sure if your students are scheduled to perform in either of these rooms that they are aware that their performance will be web streamed. DVD's of each room's scheduled rounds on Thursday and Friday can be purchased at prepfilms.com for \$20.
