SECOND DAY TEE TIMES/PAIRINGS

The tee times for the second day are intended to begin at about 9:30 a.m., depending on the weather and course conditions. Golfers will go off of both the #1 and #10 tees. Pairings, based on first-day scores, will be posted on the website of the Nebraska School Activities Association: www.nsaahome.org under boys golf.

PLAYING GROUPS

In an effort to match golfers of a similar caliber, district results are used to make the first-day pairings. On the second day, groups will be assigned according to first-day scores.

AWARDS

Trophies will be awarded to the first and second place teams in each class with medallions presented to individual team members. A plaque will be presented to the coach of the championship team. Medals will be awarded to the top-15 individuals in each class.

TEAM SCORING

The four lowest 18-hole scores will be added to give a team its first-day total. That total will be added to the best four scores from the team during the second round for the team's final score. Teams must use the same five golfers both days.

SPECTATORS & COACHES

Spectators may be on the course observing the golfers, but they must remain a distance from all golfers. Spectators should remain off tee boxes, fairways and greens. Spectators can applaud a player or group of players and they may offer encouragement to one player, as long as it is not distracting to other players in the event. Spectators may not walk side-by-side with participants. They may not sit with them during a waiting period on the course. A distance of 50 feet would be an acceptable separation. Violation of the separation rule may result in a two-stroke penalty after a warning by championship officials. Failure to abide by the separation rule after a two-stroke penalty is applied could result in disqualification. Schools are expected to communicate with their own golfers and spectators and enforce this policy themselves. Head Coaches may coach their golfers between the greens and tees. Coaches, other than the Head Coach, may be out on the course during competition if not part of the work force. If so, they fall under the category of spectator and must follow the above rules. The clubhouse area between the ninth green and tenth tee is a time when players and spectators would not be required to maintain the above-mentioned distances. Coaches could, at this time, meet with their players and discuss any aspect of golf. Coaches may offer advice at this time. Non-competitors carrying cell phones or pagers on the golf course, must turn off the ringer. Those who do not will be asked to turn off the phone or pager and risk being removed from the golf course by championship officials.

COACHING & ADVICE DURING COMPETITION

Only the Head Coach will be allowed to coach and to give advice under the following provisions:

- Only one (1) designated team Head Coach may coach and give advice.
- USGA Rule 8 entitled "Definition of Advice" must be used.
- Coaching and advice may be given only when all of the golf balls of the players in a group are no longer in play after each hole.

Head Coaches who elect to coach and advise their players during matches must not make rulings on matters of play that are the responsibility of the meet director, Championships committee, or rules officials. Players must proceed immediately to the next hole without delay. A player in violation of USGA Rule 6-7, "Undue Delay," will be assessed a two-stroke penalty for the first offense and disqualified from competition for the second offense. No players, assistant coaches, parents or spectators shall be allowed to coach or give advice, while out on the golf course, to any player.

CHAMPIONSHIP OFFICIALS

The Nebraska Golf Association is providing certified United States Golf Association rules officials and starters. These individuals, along with the course professionals, will ensure that the Rules of Golf as written by the USGA will be followed during the course of play. Thank them for taking the time to make these NSAA Championships even better. The NSAA would especially like to thank Craig Ames and Justin Ahrens from the NGA.

VOLUNTEER HELP

The Nebraska School Activities Association would like to thank the many volunteers, who acted as scoring monitors and scoreboard personnel, for helping to check and post scores during the NSAA Championships.
