Dear Athletes, Parents and Fans:

Welcome to the 2013 Boys and Girls State Track and Field Meet!

On behalf of the Board of Education, staff and students of the Omaha Public Schools, it is an honor to welcome you and to host the annual Nebraska State Track and Field Meet. For athletes and coaches throughout the state of Nebraska, this event marks the culmination of many, many hours of skill development, conditioning, practice and competition. This is an opportunity for young people to meet, to showcase their talents, and to know that their hard-earned accomplishments have placed them among the best in the state.

Events of this magnitude and excellence do not happen without the involvement and dedication of countless people working diligently behind the scenes and on the track and field. We are thankful and appreciative to the many school personnel, volunteers and loyal fans who have given of their time and energy to ensure the success of the State Track and Field Meet. Without their assistance, a high quality event like this would not be possible.

Congratulations and best wishes to each and every one of the individuals, teams and coaches who have qualified to compete in the state championships. We hope you enjoy your stay in Omaha and know your participation in the State Track and Field Meet will be an event you will not soon forget.

Sincerely,

Dear Friends:

Welcome to Omaha and the 2013 State Track and Field Meet! It has taken many seasons of dedicated practice to reach this milestone, and I congratulate you on your efforts. I am confident each athlete will compete with vigor. Records may be broken and new goals will be set, but remember as long as you make your best effort you will go home a winner.

Omaha boasts a wide range of attractions, accommodations, and entertainment options. While you're here, be sure to visit the Henry Doorly Zoo, which is home to the largest indoor rain forest and geodesic desert dome in the world and was recently rated the top zoo in America.

Check out the unique shops, boutiques, and restaurants in our historic Old Market District and head over to the recently revitalized Missouri Riverfront. Here, Heartland of America Park and Lewis and Clark Landing provide extraordinary access to the Missouri River while the Bob Kerrey Pedestrian Bridge provides an impressive view of Omaha's Downtown skyline.

Our city is perfect for those who love the arts, so check out one of our many art museums and studios. The Durham Museum, a former train station, is a great example of art deco architecture and is home to world class exhibits depicting the history of the region and the Joslyn Art Museum is home one of the finest collections of art in the Midwest. We are also famous for our thriving local music scene and you can catch up and coming talent at local venues any night of the week.

Over the last decade, Omaha has experienced outstanding growth and development, sweeping from our Downtown core to our urban neighborhoods. Our city and its friendly citizens continue to attract visitors from across the country and around the globe, as the word continues to spread about all the exciting things to experience here in Omaha. Whether you stay for just a day or for an extended visit, I'm confident you will join the growing ranks of those who love our wonderful city.

You can learn more about what Omaha has to offer by checking out www.visitomaha.com. To all the athletes, coaches, families and fans – I wish you the best of luck and hope that you enjoy the 2013 State Track and Field Meet.

Best wishes,

All first place medals plus the gold medal will be presented on the awards stand at the center of the field at the same time. Second through eighth place medals may be picked up at the south end of the track, in the awards tent, as in the past. The awards presentations will begin **at approximately 11 a.m.** on Saturday and continue through the Saturday afternoon schedule. ANNOUNCEMENTS

Due to the abundance of announcements required to keep spectators and participants informed at a meet of this stature, public address requests will be restricted to the needs of the competing schools and emergencies only.

CELL PHONES, PAGERS & ELECTRONIC DEVICES

The Games Committee has requested that all spectators, athletes, coaches, media and meet workers near the starting line of the track and near any of the field event areas, please switch your cellular phones from ring to vibrate mode or completely off to avoid disturbing the competitors. Electronic devices are prohibited in all warm-up and competition areas as defined by the NSAA State Track & Field Games Committee.

EVENT HEADINGS

Each event in this meet is presented on a page in this program. Information in the heading includes last year's gold medal winner and their picture (relay gold medal pictures are on a separate page). Also included are the class records for the event. There are two sets of records listed: a state meet record, and the state record which can be set at the state meet or at any meet during the year that qualifies under the NSAA state record standards.

RESULTS

Results in all events are announced via the public address system and are posted on the outside wall of the lower press box, located on the west side of the stadium. Results will also be posted on the message board on the north end of the stadium and on the wall outside of the east stadium entrance. Complete results are also available during the meet on the NSAA website – www.nsaahome.org.

SOMETHING IMPROVES EVERY YEAR

Laser printer reproductions of the FinishLynx capture of the finish of each race are being sold as souvenirs in the west side of the stadium, and from inside the stadium at the south end of the building.

Income from these pictures, souvenir shirt sales and concession profits are funneled back to the NSAA State Track & Field Championships in the form of facility improvements designed to create a better experience for athletes and spectators.

The Omaha Public Schools are proud and honored to host this Nebraska School Activities Association event. The meet has drawn approximately 25,500 spectators and more than 2,400 athletes since the combined girls' and boys' meet has been held at Burke. The boys' meet was held at Burke for nine years before the meets were combined.

OPS and Burke work hard to provide a comfortable, sufficient facility and a memorable event for all involved. The district receives a portion of the gate receipts to help cover the costs of the event and the cleanup required afterward. The size of the NSAA State Track & Field Championships and the demands it puts on the Burke High facility, however, result in repairs and improvements that otherwise would not be necessary. The concession and T-shirt sales make it possible to improve the facility and finance the repairs for the NSAA State Track & Field Championships.

Take a look at what the profits from T-shirts, picture and concession sales have enabled OPS to do for fans and athletes of the NSAA State Track & Field Championships:
