As Governor of the State of Nebraska, it is my pleasure to welcome you to this state event. Thank you for your support of our high school activities and the Nebraska School Activities Association (NSAA).

The NSAA does a great job of helping Nebraska students take advantage of the many activities available while developing an appreciation for teamwork, fostering school spirit and demonstrating sportsmanship of fans and players.

I care deeply about the education our students receive in Nebraska and I’m delighted that so many schools encourage the learning that takes place from being involved with school activities. Students who participate in school activities develop important leadership and life skills.

-Dave Heineman
Governor of Nebraska

**CHEER FOR YOUR TEAM!**

“If Character is what you do when no one is watching, Sportsmanship is the conduct with everybody watching!”

—Lou Holtz

NSAA activities support the Academic Mission of the Nebraska membership and communities! They are not a diversion but rather the extension of celebrating the positive attributes that come from participation. “Cheer for Your Team” is the sportsmanship message from the NSAA. Respect and appreciation for the commitment of our student-participants, officials, judges, fans and all the many workers and volunteers will create an environment of success. Make this a positive experience by “Cheering for Your Team!”

-Rhonda Blanford-Green
Executive Director-NSAA
