NSAA STATE GIRLS GOLF CHAMPIONSHIPS

OCTOBER 13-14, 2014 • NORFOLK • LINCOLN • COLUMBUS
2014-2015 NSAA OFFICIAL CHAMPIONSHIP PROGRAM

Welcome! As Governor of the State of Nebraska, it has been my pleasure these past ten years to work with and to support our high school activities and the Nebraska School Activities Association.

The NSAA does a great job of helping Nebraska students take advantage of the many activities available while developing an appreciation for teamwork, fostering school spirit and demonstrating sportsmanship of fans and players.

I care deeply about the education our students receive in Nebraska and I'm delighted that so many schools encourage the learning that takes place from being involved with school activities. Students who participate in school activities develop important leadership and life skills.

Your charge now is to take those skills and make the world a better place. Good luck!

-Dave Heineman
Governor of Nebraska

Music, Play-Production, Speech, Journalism, and Athletics! These activities offer Nebraska students the opportunity to learn the value of teamwork, responsibility, dealing with adversity, competition, diversity, and community. Extracurricular participation complements the lessons learned in the classroom and reinforces the skills our students need in a real-world context. How exciting that over 120,000 students within 25 activities, in over 304 member high schools across Nebraska participate in NSAA programs. By participating, our students have already won!

On behalf of the NSAA Board of Directors and the NSAA Staff, we send our collective thanks for your support of the Association's mission and interscholastic events. Please accept our best wishes as you cheer and support your school!

We are "The Other Half of Education"

-Rhonda Blanford-Green
Executive Director-NSAA

NSAA STATE GIRLS GOLF CHAMPIONSHIPS

OCTOBER 13-14, 2014 • NORFOLK • LINCOLN • COLUMBUS

Sites

Class A - Norfolk Country Club, 1700 N. Riverside, Norfolk

Class B - Pioneers Golf Course, 3403 W. Van Dorn, Lincoln

Class C - Quail Run Golf Course, 327 S. 5th Street, Columbus

Field

The 2014 Nebraska School Activities Association (NSAA) Girls Golf Championships include qualifiers from three different classes. In each class, the members of the top-three teams from each NSAA assigned golf district and individuals who won or tied for a place among the top-10 medalists qualify for the NSAA Championship. Stroke play competition for both team and individual honors is intended to be 18 holes both days.

Second Day Tee Times/Pairings

The tee times for the second day will begin at about 9:30 a.m., depending on the weather and course conditions. Golfers will go off of both the #1 and #10 tees. Pairings, based on first-day scores, will be posted on the website of the Nebraska School Activities Association: www.nsaahome.org under **Girls Golf**.

Inclement Weather

The NSAA Golf Championship is intended to be a two-day event covering 18 holes each day. If 36 holes of the event cannot be completed, 18 holes will constitute the complete championship. Weather conditions that may impact play include severe meteorological conditions (i.e. thunderstorms, snow, hail, ice pellets, freezing temperatures, high winds, and heavy rain) which may endanger competitors & event staff and/or make the golf venue unplayable. The tournament committee is the responsible authority for all decisions required due to inclement weather regarding suspension, resumption, postponement or cancellation of play due to adverse weather conditions, golf course conditions, or the resulting unavailability of necessary event personnel. If weather or golf course conditions impact the beginning or continuation of the event, the following policy will be employed:

- a. The Day 1 round will be started if possible and if started and at least 50% of the field completes 18-holes, the remainder of the Day 1 round will be completed on Day 2 before the final 18-holes is attempted. Time will be allotted to change

hole locations on the golf course between 18-hole rounds on Day 2. Pairings may not be re-done for Round 2 based on Round 1 scores.

- b. If the Day 1 round cannot be started or if started, at least 50% of the field does not complete 18-holes, Day 2 will be used for Round 1's completion with the following options possible:
 - 1) The starting time of any delayed round may be altered.
 - 2) If further delays occur or play is suspended due to darkness before the Day 2 Round is completed by all competitors, the event will be shortened to 18-holes because of weather conditions, golf course conditions or the resulting unavailability of championship workforce personnel.

Awards

Trophies will be awarded to the first and second place teams in each class with medallions presented to individual team members. A plaque will be presented to the coach of the championship team. Medals will be awarded to the top 15 places in each class.

Team Scoring

The four lowest 18-hole scores will be added to give a team its first-day total. That total will be added to the best four scores from the team during the second round for the team's final score. Teams must use the same five golfers both days.

Spectators

Spectators may be on the course observing the golfers, but they must remain a distance from all golfers. Spectators should remain off tee boxes, fairways and greens. Spectators can applaud a player or group of players and they may offer encouragement to one player, as long as it is not distracting to other players in the event. Spectators may not walk sidebyside with participants. They may not sit with them during a waiting period on the course. A distance of 50 feet would be an acceptable separation. Violation of the separation rule may result in a twostroke penalty after a warning by championship officials. Failure to abide by the separation rule after a twostroke penalty is applied could result in disqualification. Schools are expected to communicate with their own golfers and spectators and enforce this policy themselves.

Cell Phones & Pagers

Non-competitors carrying cell phones or pagers on the golf course, must turn off the ringer. Those who do not will be asked to turn off the phone or pager or risk being removed from the golf course by championship officials. Championship players are not allowed to use any type of electronic device during competition.

Coaching & Advice During Competition

Only the Head Coach will be allowed to coach and give advice under the following provisions:

- a. Only one (1) designated team Head Coach may coach and give advice.
- b. USGA Rule 8 entitled "Definition of Advice" must be used.
- c. Coaching and advice may be given only when all of the golf balls of the players in a group are no longer in play after each hole.

Head Coaches who elect to coach and advise their players during matches must not make rulings on matters of play that are the responsibility of the meet director, tournament committee, or rules officials. Players must proceed immediately to the next hole without delay. A player in violation of USGA Rule 6-7, "Undue Delay," will be assessed a two-stroke penalty for the first offense and disqualified from competition for the second offense. No players, assistant coaches, parents or spectators shall be allowed to coach or give advice, while out on the golf course, to any player.
