NSAA STATE BOYS TENNIS CHAMPIONSHIPS

OCTOBER 16-17, 2014 • OMAHA • LINCOLN
2014-2015 NSAA OFFICIAL CHAMPIONSHIP PROGRAM

Welcome! As Governor of the State of Nebraska, it has been my pleasure these past ten years to work with and to support our high school activities and the Nebraska School Activities Association.

The NSAA does a great job of helping Nebraska students take advantage of the many activities available while developing an appreciation for teamwork, fostering school spirit and demonstrating sportsmanship of fans and players.

I care deeply about the education our students receive in Nebraska and I'm delighted that so many schools encourage the learning that takes place from being involved with school activities. Students who participate in school activities develop important leadership and life skills.

Your charge now is to take those skills and make the world a better place. Good luck!

-Dave Heineman
Governor of Nebraska

Music, Play-Production, Speech, Journalism, and Athletics! These activities offer Nebraska students the opportunity to learn the value of teamwork, responsibility, dealing with adversity, competition, diversity, and community. Extracurricular participation complements the lessons learned in the classroom and reinforces the skills our students need in a real-world context. How exciting that over 120,000 students within 25 activities, in over 304 member high schools across Nebraska participate in NSAA programs. By participating, our students have already won!

On behalf of the NSAA Board of Directors and the NSAA Staff, we send our collective thanks for your support of the Association's mission and interscholastic events. Please accept our best wishes as you cheer and support your school!

We are "The Other Half of Education"

-Rhonda Blanford-Green
Executive Director-NSAA

Nebraska School Activities Association Coaching Guidelines

Coaching shall be permitted during a match with the following guidelines:

- Only the head coach of the high school as designated by that school's administration is allowed to coach.
- A player may be coached during a set break and when the player(s) change ends at the end of the game, but not when the player(s) change ends after the first game of each set and during the tie-break game.
- Coaching is limited to 60 seconds.
- The player does not leave the court.
- The coach does not enter the court.
- Coaching is not allowed on change-over during a tie-break.

Head coaches designated by the school's administration will be issued a wristband that the coach must wear for the entire championship. This wristband will designate the assigned head coach as the only person who is allowed to coach their athletes.

In addition to enforcement by opposing coaches, the court supervisors will be monitoring the coaching rule.

Thank you for your cooperation.
