NSAA STATE PLAY PRODUCTION CHAMPIONSHIPS

DECEMBER 10-12, 2014 • NORFOLK
2014-2015 NSAA OFFICIAL CHAMPIONSHIP PROGRAM

Welcome! As Governor of the State of Nebraska, it has been my pleasure these past ten years to work with and to support our high school activities and the Nebraska School Activities Association.

The NSAA does a great job of helping Nebraska students take advantage of the many activities available while developing an appreciation for teamwork, fostering school spirit and demonstrating sportsmanship of fans and players.

I care deeply about the education our students receive in Nebraska and I'm delighted that so many schools encourage the learning that takes place from being involved with school activities. Students who participate in school activities develop important leadership and life skills.

Your charge now is to take those skills and make the world a better place. Good luck!

-Dave Heineman
Governor of Nebraska

Music, Play-Production, Speech, Journalism, and Athletics! These activities offer Nebraska students the opportunity to learn the value of teamwork, responsibility, dealing with adversity, competition, diversity, and community. Extracurricular participation complements the lessons learned in the classroom and reinforces the skills our students need in a real-world context. How exciting that over 120,000 students within 25 activities, in over 304 member high schools across Nebraska participate in NSAA programs. By participating, our students have already won!

On behalf of the NSAA Board of Directors and the NSAA Staff, we send our collective thanks for your support of the Association's mission and interscholastic events. Please accept our best wishes as you cheer and support your school!

We are "The Other Half of Education"

-Rhonda Blanford-Green
Executive Director-NSAA
