## NSAA STATE DUAL WRESTLING CHAMPIONSHIPS

FEBRUARY 28, 2015 • KEARNEY  
2014-2015 NSAA OFFICIAL CHAMPIONSHIP PROGRAM

Fellow Nebraskans:

As the 40th Governor of Nebraska, I look forward working with leaders across our state to expand educational opportunities for the next generation of citizens.

A student's involvement outside the classroom can build the character and discipline they need to succeed in the classroom. I commend the NSAA for the work they do to provide extracurricular activities to Nebraska students which instill important values like hard work, creativity, and responsibility.

The activities of the coming days will help lay a foundation for skills that will serve you for a lifetime. Enjoy these activities as you challenge one another to new heights of excellence, and best of luck in your endeavors!

-Pete Ricketts  
Governor of Nebraska

## CHEER FOR YOUR TEAM!

*"If Character is what you do when no one is watching,  
Sportsmanship is the conduct with everybody watching!"*

*-Lou Holtz*

NSAA activities support the Academic Mission of the Nebraska membership and communities! They are not a diversion but rather the extension of celebrating the positive attributes that come from participation. "Cheer for Your Team" is the sportsmanship message from the NSAA. Respect and appreciation for the commitment of our student-participants, officials, judges, fans and all the many workers and volunteers will create an environment of success. Make this a positive experience by "Cheering for Your Team!"

# COMPETITION FORMAT

All teams will be placed (according to seed) in an 8 team bracket and compete in three duals in one day. The first round winners will advance to the semi-finals with the teams losing in the first round competing in the consolation bracket. The consolation bracket will be wrestled out for 5th and 6th places. Second round winners in the consolation round will advance to the 5th place dual. Semi-final winners will advance to the finals with semi-final losers competing against each other for 3rd place. The teams will finish competition placing 1st -6th place with the top four teams being awarded NSAA Dual Wrestling Championship trophies.

## Individual Medals

Individual medals will not be provided but can be ordered through the NSAA website at the cost of the school.

## Weight Allowance

For teams that qualify for the State Dual Championship, each wrestler's weights from district and the state championships (if a qualifier) must be entered into the weight management program (Trackwrestling) so that the weigh-in sheets reflect the correct descent plan for that wrestler at the State Dual Championship weigh-ins. Each wrestler will get a 4 pound weight allowance from scratch weight. Example: the 120 pound weight class would be able to weigh 124 per NFHS Rules.

No wrestler will be allowed to weigh-in and compete at a weight class lower than the weight that they qualify for according to their individual weight loss plan and that they have competed in during the regular season.

A contestant shall not wrestle more than one weight class above that class for which the actual weight, at the time of weigh-in, qualifies the competitor for. (NFHS Rule 4-4-3)

## Eligible Contestants

A team wrestling roster of each school that qualifies for the Dual Championships shall be submitted to the NSAA no later than 3:00 pm CST on the Monday directly following the individual State Championship.

Each school will be allowed to weigh in 20 competitors for the Dual Championships.

## Contestant/Coach Passes

Each team qualifying for the Dual Championships will be permitted 20 contestant passes and 4 coach passes. The roster, along with a list of the coaches shall be submitted to the NSAA by the Athletic Director of the participating school no later than 3 pm CST on the Monday directly following the individual State Championship.

# AFFORDABILITY + QUALITY = VALUE

Students choose UNK, in part, because it's more affordable. They embrace UNK once they realize what they get for their money. UNK offers nationally recognized academic programs with one of the lowest costs in the state. Students here graduate with less debt and more opportunities available to them. That's a valuable difference.
