Fellow Nebraskans:

As the 40th Governor of Nebraska, I look forward to working with leaders across our state to expand educational opportunities for the next generation of citizens.

A student’s involvement outside the classroom can build the character and discipline they need to succeed in the classroom. I commend the NSAA for the work they do to provide extracurricular activities to Nebraska students which instill important values like hard work, creativity, and responsibility.

The activities of the coming days will help lay a foundation for skills that will serve you for a lifetime. Enjoy these activities as you challenge one another to new heights of excellence, and best of luck in your endeavors!

-Pete Ricketts  
Governor of Nebraska

Music, Play-Production, Speech, Journalism, and Athletics! These activities offer Nebraska students the opportunity to learn the value of teamwork, responsibility, dealing with adversity, competition, diversity, and community. Extracurricular participation complements the lessons learned in the classroom and reinforces the skills our students need in a real-world context. How exciting that over 120,000 students within 25 activities, in over 304 member high schools across Nebraska participate in NSAA programs. By participating, our students have already won!

On behalf of the NSAA Board of Directors and the NSAA Staff, we send our collective thanks for your support of the Association’s mission and interscholastic events. Please accept our best wishes as you cheer and support your school!

We are “The Other Half of Education”

-Rhonda Blanford-Green  
Executive Director-NSAA
Field
The NSAA Boys Golf Championships include qualifiers from four different classes. The members of the top three teams from each district, along with the individuals who won or tied for a place among the top-10 medalists, qualify for the state championships. Stroke play competition for both team and individual honors is scheduled for 18 holes each day.

Second Day Tee Times/Pairings
The tee times for the second day are intended to begin at about 9:30 a.m., depending on the weather and course conditions. Golfers will go off of both the #1 and #10 tees. Pairings, based on first-day scores, will be posted on the website of the Nebraska School Activities Association: www.nsaa.org under Boys Golf.

Playing Groups
In an effort to match golfers of a similar caliber, district results are used to make the first-day pairings. On the second day, groups will be assigned according to first-day scores.

Awards
Trophies will be awarded to the first and second place teams in each class with medallions presented to individual team members. A plaque will be presented to the coach of the championship team. Medals will be awarded to the top-15 individuals in each class.

Team Scoring
The four lowest 18-hole scores will be added to give a team its first-day total. That total will be added to the best four scores from the team during the second round for the team’s final score. Teams must use the same five golfers both days.

Spectators & Coaches
Spectators may be on the course observing the golfers, but they must remain a distance from all golfers. Spectators should remain off tee boxes, fairways and greens. Spectators can applaud a player or group of players and they may offer encouragement to one player, as long as it is not distracting to other players in the event. Spectators may not walk side-by-side with participants. They may not sit with them during a waiting period on the course. A distance of 50 feet would be an acceptable separation. Violation of the separation rule may result in a two-stroke penalty after a warning by championship officials. Failure to abide by the separation rule after a two-stroke penalty is applied could result in disqualification. Schools are expected to communicate with their own golfers and spectators and enforce this policy themselves. Head Coaches may coach their golfers between the greens and tees. Coaches, other than the Head Coach, may be out on the course during competition if not part of the work force. If so, they fall under the category of spectator and must follow the above rules. Non-competitors carrying cell phones or pagers on the golf course, must turn off the ringer. Those who do not will be asked to turn off the phone or pager and risk being removed from the golf course by championship officials.

Coaching & Advice During Competition
Only the Head Coach will be allowed to coach and to give advice under the following provisions:

a. Only one (1) designated team Head Coach may coach and give advice.

b. USGA Rule 8 entitled “Definition of Advice” must be used.

c. Coaching and advice may be given only when all of the golf balls of the players in a group are no longer in play after each hole.

Head Coaches who elect to coach and advise their players during matches must not make rulings on matters of play that are the responsibility of the meet director, Championships committee, or rules officials. Players must proceed immediately to the next hole without delay. A player in violation of USGA Rule 6-7, “Undue Delay,” will be assessed a two-stroke penalty for the first offense and disqualified from competition for the second offense. No players, assistant coaches, parents or spectators shall be allowed to coach or give advice, while out on the golf course, to any player.

Championship Officials
The Nebraska Golf Association is providing certified United States Golf Association rules officials and starters. These individuals, along with the course professionals, will ensure that the Rules of Golf as written by the USGA will be followed during the course of play. Thank them for taking the time to make these NSAA Golf Championships even better. The NSAA would especially like to thank Craig Ames, Justin Ahrens, Ben Vigil and Gary Austin from the NGA.

Volunteer Help
The Nebraska School Activities Association would like to thank the many volunteers, who acted as scoring monitors and scoreboard personnel, for helping to check and post scores during the NSAA Golf Championships.

SAND GREENS
From 1941 to 1984, there was a high school sand greens state tournament. This was held in the fall of the year and any school including the Class A schools competed until 1961, after which it became a spring event and was entered only by schools not playing in the grass greens competition. Smaller schools enjoying success in this activity included Ralston (six sand greens state championships), Mullen (4), Franklin (4) and Nelson (3). Kevin Scoum of Franklin was sand greens’ only three-time individual state champion (1973-1975). Two-time winners included Brad Irvin of Fullerton (1976-1977), Greg Pumphrey of Hebron (1969-1970), Jules Vandersall of Lincoln Pius X (1960-61), Bud Williamson of Lincoln High
