"NSAA activities...the other half of education."

Dear Friends,

Welcome to another competition of Nebraska's state championship games! Congratulations to the students who have earned a chance to represent your school at this event. Thank you to the coaches, parents and guardians who play an important role in supporting our talented young Nebraskans.

A student's involvement outside the classroom can build the character and discipline needed to succeed long after graduation. Providing extracurricular activities for Nebraska youth encourages the development of values such as hard work, creativity, and responsibility.

The activities in the coming days will promote healthy competition among talented students in your field. As you challenge one another to do your best, I encourage you to enjoy this memorable time in your high school careers.

Best wishes for a safe and exciting competition!

-Pete Ricketts
Governor of Nebraska

High school activities: the other half of education.

Participation in high school activities has many benefits for participants. Recent studies revealed that "athletes earned higher grades, graduated at a higher rate, dropped out of school less frequently, and scored higher on state assessments than did non-athletes."

Extracurricular activities stand out from other aspects of adolescents' lives at school because they provide opportunities to "develop initiative and allow youth to learn emotional competencies and develop new social skills."

Other data shows that participation in organized activities during high school is positively associated with post-secondary educational attainment, voting, volunteering, and occupational factors.

The NSAA staff and its member schools are pleased to be able to offer participation opportunities to over 125,000 Nebraska high school students in athletics and performing arts activities annually.

Please join us in saluting the students participating in this Championship! The "future" competes here!

-Dr. Jim Tenopir
NSAA Executive Director

All teams will be placed (according to seed) in an 8 team bracket and compete in three duals in one day. The first round winners will advance to the semi-finals with the teams losing in the first round competing in the consolation bracket. The consolation bracket will be wrestled out for 5th and 6th places. Second round winners in the consolation round will advance to the 5th place dual. Semi-final winners will advance to the finals with semi-final losers competing against each other for 3rd place. The teams will finish competition placing 1st -6th place with the top four teams being awarded NSAA Dual Wrestling Championship trophies.

Individual Medals

Individual medals will not be provided but can be ordered through the NSAA website at the cost of the school.

Weight Allowance

1. For teams that qualify for the State Dual Championship, each wrestler's weights from district and the state championships (if a qualifier) must be entered into the weight management program (Trackwrestling) so that the weigh-in sheets reflect the correct descent plan for that wrestler at the State Dual Championship weigh-ins. Each wrestler will get a 4 pound weight allowance from scratch weight. Example: the 120 pound weight class would be able to weigh 124 per NFHS Rules.
2. No wrestler will be allowed to weigh-in and compete at a weight class lower than the weight that they qualify for according to their individual

COMPETITION FORMAT

weight loss plan and that they have competed in during the regular season.

3. A contestant shall not wrestle more than one weight class above that class for which the actual weight, at the time of weigh-in, qualifies the competitor for. (NFHS Rule 4-4-3)

Eligible Contestants

1. A team wrestling roster of each school that qualifies for the Dual Championships shall be submitted to the NSAA no later than 3:00 pm CST on the Monday directly following the individual State Championship.
2. Each school will be allowed to weigh in 20 competitors for the Dual Championships.

Contestant/Coach Passes

Each team qualifying for the Dual Championships will be permitted 20 contestant passes and 4 coach passes. The roster, along with a list of the coaches shall be submitted to the NSAA by the Athletic Director of the participating school no later than 3 pm CST on the Monday directly following the individual State Championship.

AFFORDABILITY + QUALITY = VALUE

Students choose UNK, in part, because it's more affordable. They embrace UNK once they realize what they get for their money. UNK offers nationally recognized academic programs with one of the lowest costs in the state. Students here graduate with less debt and more opportunities available to them. That's a valuable difference.
