"NSAA activities...the other half of education."

Dear Friends,

Welcome to another competition of Nebraska's state championship games! Congratulations to the students who have earned a chance to represent your school at this event. Thank you to the coaches, parents and guardians who play an important role in supporting our talented young Nebraskans.

A student's involvement outside the classroom can build the character and discipline needed to succeed long after graduation. Providing extracurricular activities for Nebraska youth encourages the development of values such as hard work, creativity, and responsibility.

The activities in the coming days will promote healthy competition among talented students in your field. As you challenge one another to do your best, I encourage you to enjoy this memorable time in your high school careers.

Best wishes for a safe and exciting competition!

-Pete Ricketts
Governor of Nebraska

High school activities: the other half of education.

Participation in high school activities has many benefits for participants. Recent studies revealed that "athletes earned higher grades, graduated at a higher rate, dropped out of school less frequently, and scored higher on state assessments than did non-athletes."

Extracurricular activities stand out from other aspects of adolescents' lives at school because they provide opportunities to "develop initiative and allow youth to learn emotional competencies and develop new social skills."

Other data shows that participation in organized activities during high school is positively associated with post-secondary educational attainment, voting, volunteering, and occupational factors.

The NSAA staff and its member schools are pleased to be able to offer participation opportunities to over 125,000 Nebraska high school students in athletics and performing arts activities annually.

Please join us in saluting the students participating in this Championship! The "future" competes here!

-Dr. Jim Tenopir
NSAA Executive Director

Extemporaneous draw will take place in Thomas Hall, Rooms 106 & 107.

Students are to report to their assigned rooms for competition as scheduled. The contestants must perform twice, each before one judge. Six entries in each event will be advancing to the final round before three judges.

Finalists will be posted on the NSAA website, nsaahome.org/textfile/speech, and in the Sports Center after the completion of the last preliminary round is tabulated. Please do not leave until you are certain you are not in the finals. Room assignments for finals are in this program.

Trophies will be awarded to the team champion and runner-up. Medals will be awarded to the top six individuals in each event.

Events are scheduled in more than one building on campus. In order to keep the contest running on schedule, it is important for competitors to arrive at the designated room by the time that round is scheduled to begin.

Contestants will normally speak in the order of their appearance in the program. However, some switching of this order may be necessary if a contestant has qualified in two events during the same hour. If a student has a conflict, the judge or contest director shall be notified of the change.

Preliminary ballots will be available immediately following each round at the registration table. Finals ballots will be available immediately following the awards ceremony. Only certified directors are to pick up the ballots. Judges will not be available for explanations of judgment decisions

WEBCASTING

LIVE webcasting will be produced for all events scheduled in rooms 238D and 238E of the Union each day. Please make sure students scheduled in these rooms are aware that their performance will be web streamed. Spectators can view the webcast through subscription on the NSAA.tv link on the nsaahome.org website. DVDs can also be purchased.

AFFORDABILITY + QUALITY = VALUE

Students choose UNK, in part, because it's more affordable. They embrace UNK once they realize what they get for their money. UNK offers nationally recognized academic programs with one of the lowest costs in the state. Students here graduate with less debt and more opportunities available to them. That's a valuable difference.
