"NSAA activities...the other half of education."

Dear Friends,

Welcome to another competition of Nebraska's state championship games! Congratulations to the students who have earned a chance to represent your school at this event. Thank you to the coaches, parents and guardians who play an important role in supporting our talented young Nebraskans.

A student's involvement outside the classroom can build the character and discipline needed to succeed long after graduation. Providing extracurricular activities for Nebraska youth encourages the development of values such as hard work, creativity, and responsibility.

The activities in the coming days will promote healthy competition among talented students in your field. As you challenge one another to do your best, I encourage you to enjoy this memorable time in your high school careers.

Best wishes for a safe and exciting competition!

-Pete Ricketts
Governor of Nebraska

High school activities: the other half of education.

Participation in high school activities has many benefits for participants. Recent studies revealed that "athletes earned higher grades, graduated at a higher rate, dropped out of school less frequently, and scored higher on state assessments than did non-athletes."

Extracurricular activities stand out from other aspects of adolescents' lives at school because they provide opportunities to "develop initiative and allow youth to learn emotional competencies and develop new social skills."

Other data shows that participation in organized activities during high school is positively associated with post-secondary educational attainment, voting, volunteering, and occupational factors.

The NSAA staff and its member schools are pleased to be able to offer participation opportunities to over 125,000 Nebraska high school students in athletics and performing arts activities annually.

Please join us in saluting the students participating in this Championship! The "future" competes here!

-Dr. Jim Tenopir
NSAA Executive Director

All first place medals plus the gold medal will be presented on the awards stand at the center of the field at the same time. Second through eighth place medals may be picked up at the south end of the track, in the awards tent, as in the past. The awards presentations will begin **at approximately 11 a.m.** on Saturday and continue through the Saturday afternoon schedule. Callam Photography, the official photographers of the NSAA, will be photographing the entire individual and team awards presentations at the awards stand at the center of the infield. Following the NSAA State Track and Field Meet, these photos will be posted on the Callam Sports Photography website www.callamsportsphoto.com and will be available for purchase.
