CHAMPIONSHIPS

Lincoln

"NSAA activities...the other half of education."

Dear Friends,

Welcome to another competition of Nebraska's state championship games!

Congratulations to the students who have earned a chance to represent your school at this event. This is a very exciting time, and you should all be proud of all of the time and hard work you put in to get to this point.

Thank you to the coaches, parents and guardians who play an important role in supporting our talented young Nebraskans. Participants, make sure you also thank all of those who have supported you and helped you get to this point in your life.

When students are involved in extracurricular activities they are able to build the character and discipline needed to succeed long after graduation. These outside of the classroom competitions encourage the development of important values such as sportsmanship, hard work, and responsibility.

As you partake in these activities in the upcoming days, remember that it's not just about winning and that you will take away experience, friends and memories that will last long after your time in high school.

Best wishes for a safe and exciting competition!

Pete Ricketts
Governor

Competing for a state championship is the goal of most students who participate in sports and performing arts. So to those high school students who have reached this championship, we say congratulations and good luck!

Students participate in high school sports and performing arts for a wide variety of reason, not the least of which is to have fun. It is important that the NSAA and member schools regularly strive to cultivate high school activities as educational activities. The positive life lessons learned while participating help make the case for sports and activities in our high schools.

Many studies have shown the value of participation. Studies have shown that students not only have the enjoyment of participating in high school activities, but such students generally attain higher academic achievement, exhibit healthier behaviors, experience fewer discipline referrals and drop out of school less frequently. High school activities are, indeed, the other half of education.

The NSAA staff and its member schools are pleased to be able to offer participation opportunities to this state's high school students in athletics and performing arts activities annually.

Please join us in saluting the students participating in this Championship! The "future" competes here!

Dr. Jim Tenopir
NSAA Executive Director

UNLEASH FUN-DAD

Sometimes, the kids
need to be reminded
where they get it from.

Think of this place as your vacation's wake-up call. Everyone can let loose jumping around, exploring the trails, or catching a ball game. Dine out, find a live show, or hit up the museums. Your choice. It's easy and affordable travel for families who want to actually enjoy their time off.

SAVE A HEART.

RIDE AN AMBULANCE.

**Ambulances provide more
than a ride to the hospital.**

Your local Emergency Medical Service has expert technicians with equipment designed to save your life. It's safer than a car ride, and you will receive emergency care sooner, decreasing the chances of heart damage. If you think you're having a heart attack, always call 911 for faster treatment and a faster recovery.

Always there
to help brighten Nebraska's playing fields.

Contests of skill, strength and courage don't stop for summer sunsets. Or when we take our games inside to escape winter's cold winds. As lights keep shining in the Husker state, it's our promise to always be there when you need us. Illuminating lives.

Proud to support Nebraska's student-athletes.

A DIG is the reception of an attack that keeps the ball in play by the first receiving player who passes the ball directly from an attack.

NOTE: Coaches MUST maintain records according to NSAA statistic definitions. Keep for reference and submit record updates within one week after state tournament. Coaches are asked to submit school records in the digs category. Please indicate NSAA class for the year the digs record was set.

For career records, if a player spent the majority of her varsity career in one class, her records must be submitted for that class. If a player spent an equal number of years in two classes, the career record must be submitted for the class she competed in her senior year.

The NSAA may ask for a film/video to double-check accuracy on record applications for single match records and/or a sampling on season or career records.
