"NSAA activities...the other half of education."

Dear Friends,

Welcome to another competition of Nebraska's state championship games!

Congratulations to the students who have earned a chance to represent your school at this event. This is a very exciting time, and you should all be proud of all of the time and hard work you put in to get to this point.

Thank you to the coaches, parents and guardians who play an important role in supporting our talented young Nebraskans. Participants, make sure you also thank all of those who have supported you and helped you get to this point in your life.

When students are involved in extracurricular activities they are able to build the character and discipline needed to succeed long after graduation. These outside of the classroom competitions encourage the development of important values such as sportsmanship, hard work, and responsibility.

As you partake in these activities in the upcoming days, remember that it's not just about winning and that you will take away experience, friends and memories that will last long after your time in high school.

Best wishes for a safe and exciting competition!

Pete Ricketts
Governor

Competing for a state championship is the goal of most students who participate in sports and performing arts. So to those high school students who have reached this championship, we say congratulations and good luck!

Students participate in high school sports and performing arts for a wide variety of reason, not the least of which is to have fun. It is important that the NSAA and member schools regularly strive to cultivate high school activities as educational activities. The positive life lessons learned while participating help make the case for sports and activities in our high schools.

Many studies have shown the value of participation. Studies have shown that students not only have the enjoyment of participating in high school activities, but such students generally attain higher academic achievement, exhibit healthier behaviors, experience fewer discipline referrals and drop out of school less frequently. High school activities are, indeed, the other half of education.

The NSAA staff and its member schools are pleased to be able to offer participation opportunities to this state's high school students in athletics and performing arts activities annually.

Please join us in saluting the students participating in this Championship! The "future" competes here!

Dr. Jim Tenopir
NSAA Executive Director

EXPERIENCE. EXPLORE. ENJOY.

THE ARCHWAY

CLASSIC CAR COLLECTION

————— **MAKE THE MOST OF YOUR STAY.** —————

Each spring, from late February to early April, the amazing Sandhill Crane Migration happens in the heart of Nebraska. About 600,000 cranes converge on the Platte River to rest and gain body fat as they prepare for the rest of their journey. You can experience this enchanting sight for yourself here in Kearney! Call 800-652-9435 for more information about viewing opportunities.

You don't have to be a
MASTER HORSEMAN
to experience everything that
North Platte has to offer.

However, we do recommend
facing forward.

There's a reason Buffalo Bill made North Platte his home.

He found the room to roam, explore, and have fun.
Tanking the Platte River, riding singletrack at Potter's
Pasture and the giant spectacle of NEBRASKAland
Days are just a few of the activities you'll find out here.

**That's why North Platte gets Buffalo Bill's
Buffalo of Approval.**

SAND GREENS

From 1941 to 1984, there was a high school sand greens state tournament. This was held in the fall of the year and any school including the Class A schools competed until 1961, after which it became a spring event and was entered only by schools not playing in the grass greens competition.

Smaller schools enjoying success in this activity included Alma (six sand greens state championships), Mullen (4), Franklin (4) and Nelson (3).

Kevin Slocum of Franklin was sand greens' only three-time individual state champion (1973-74-75).

Two-time winners included Brad Irvin of Fullerton (1976-77), Greg Pumphrey of Hebron (1969-70), Jules Vandersarl of Lincoln Pius X (1960-61), Bud Williamson of Lincoln High
