NSAA STATE CHAMPIONSHIPS

OCTOBER 11-13, 2017
HASTINGS

"NSAA activities...the other half of education."

2017-2018 NSAA OFFICIAL
CHAMPIONSHIP PROGRAM

Dear Friends:

Welcome to another competition of Nebraska's state championship games!

Congratulations to the students who have earned a chance to represent your school at this event. This is a very exciting time, and you should all be proud of the time and hard work you put in to get to this point.

Thank you to the coaches, parents, and guardians who support our talented young Nebraskans. Participants, make sure you also take the time to thank those who support you and have helped you succeed in your efforts.

The character, discipline, and drive taught by extracurricular activities like these ensure that students have the ability to succeed long after graduation. These competitions encourage our students to aim big, work hard, and take responsibility for themselves.

Win or lose, you all will take away experiences, friends, and memories that will last for a lifetime.

Best wishes for a safe and exciting competition!

Sincerely,

Pete Ricketts
Governor

High school activities are, indeed, the other half of education!

The lessons learned through participation in high school activities include the values of teamwork, diversity, work ethic, responsibility, and a sense of community. Many studies have shown the value of participation. Students not only have the enjoyment of participating in high school activities, but such students generally attain higher academic achievement, exhibit healthier behaviors, experience fewer discipline referrals and drop out of school less frequently.

We salute the member high schools across this state that understand the values attributed to activities participation. Schools contribute time, money and efforts to assure that high school students have excellent participation opportunities. Through NSAA activities, students are able to develop and showcase their talents.

This Championship is the culmination of the hard work and efforts by students, coaches and sponsors. So to those high school students who have reached this Championship, we say congratulations and good luck!

It is our pleasure to be able to offer participation opportunities to this state's high school students in sports and performing arts activities annually.

Please join us in recognizing the student participating in this Championship! The "future" competes here!

Dr. Jim Tenopir
NSAA Executive Director
