NSAA STATE SPEECH CHAMPIONSHIPS
March 23-24, 2017 Kearney

"NSAA activities...the other half of education."
Dear Friends,

Welcome to another competition of Nebraska's state championship games! Congratulations to the students who have earned a chance to represent your school at this event. This is a very exciting time, and you should all be proud of all of the time and hard work you put in to get to this point.

Thank you to the coaches, parents and guardians who play an important role in supporting our talented young Nebraskans. Participants, make sure you also thank all of those who have supported you and helped you get to this point in your life.

When students are involved in extracurricular activities they are able to build the character and discipline needed to succeed long after graduation. These outside of the classroom competitions encourage the development of important values such as sportsmanship, hard work, and responsibility.

As you partake in these activities in the upcoming days, remember that it’s not just about winning and that you will take away experience, friends and memories that will last long after your time in high school.

Best wishes for a safe and exciting competition!

Pete Ricketts
Governor

Competing for a state championship is the goal of most students who participate in sports and performing arts. So to those high school students who have reached this championship, we say congratulations and good luck!

Students participate in high school sports and performing arts for a wide variety of reason, not the least of which is to have fun. It is important that the NSAA and member schools regularly strive to cultivate high school activities as educational activities. The positive life lessons learned while participating help make the case for sports and activities in our high schools.

Many studies have shown the value of participation. Studies have shown that students not only have the enjoyment of participating in high school activities, but such students generally attain higher academic achievement, exhibit healthier behaviors, experience fewer discipline referrals and drop out of school less frequently. High school activities are, indeed, the other half of education.

The NSAA staff and its member schools are pleased to be able to offer participation opportunities to this state's high school students in athletics and performing arts activities annually.

Please join us in saluting the students participating in this Championship! The “future” competes here!

Students are to report to their assigned rooms for competition as scheduled. The contestants must perform twice, each before one judge. Six entries in each event will be advancing to the final round before three judges.

Finalists will be posted on the NSAA website, nsahome.org/textfile/speech, and in the Sports Center after the completion of the last preliminary round is tabulated. Please do not leave until you are certain you are not in the finals. Room assignments for finals are in this program.

Trophies will be awarded to the team champion and runner-up. Medals will be awarded to the top six individuals in each event.

Events are scheduled in more than one building on campus. In order to keep the contest running on schedule, it is important for competitors to arrive at the designated room by the time that round is scheduled to begin.

Contestants will normally speak in the order of their appearance in the program. However, some switching of this order may be necessary if a contestant has qualified in two events during the same hour. If a student has a conflict, the judge or contest director shall be notified of the change.

Preliminary ballots will be available immediately following each round at the registration table. Finals ballots will be available immediately following the awards ceremony. Only certified directors are to pick up the ballots. Judges will not be available for explanations of judgment decisions.

WEBCASTING
LIVE webcasting will be produced for all events scheduled in rooms 238D and 238E of the Union each day. Please make sure students scheduled in these rooms are aware that their performance will be web streamed. Spectators can view the webcast through subscription on the NSAA.tv link on the nsahome.org website. DVDs can also be purchased.

Each spring, from late February to early April, the amazing Sandhill Crane Migration happens in the heart of Nebraska. About 600,000 cranes converge on the Platte River to rest and gain body fat as they prepare for the rest of their journey. You can experience this enchanting sight for yourself here in Kearney! Always there

to help brighten Nebraska’s playing fields.

Contests of skill, strength and courage don’t stop for summer sunsets. Or when we take our games inside to escape winter’s cold winds. As lights keep shining in the Husker state, it’s our promise to always be there when you need us. Illuminating lives.

Proud to support Nebraska’s student-athletes.

Nebraska Public Power District
Always there when you need us.
Together with your local public power utility.
