CHAMPIONSHIPS

Omaha

"NSAA activities...the other half of education."

Dear Friends,

Welcome to another competition of Nebraska's state championship games!

Congratulations to the students who have earned a chance to represent your school at this event. This is a very exciting time, and you should all be proud of all of the time and hard work you put in to get to this point.

Thank you to the coaches, parents and guardians who play an important role in supporting our talented young Nebraskans. Participants, make sure you also thank all of those who have supported you and helped you get to this point in your life.

When students are involved in extracurricular activities they are able to build the character and discipline needed to succeed long after graduation. These outside of the classroom competitions encourage the development of important values such as sportsmanship, hard work, and responsibility.

As you partake in these activities in the upcoming days, remember that it's not just about winning and that you will take away experience, friends and memories that will last long after your time in high school.

Best wishes for a safe and exciting competition!

Pete Ricketts
Governor

Competing for a state championship is the goal of most students who participate in sports and performing arts. So to those high school students who have reached this championship, we say congratulations and good luck!

Students participate in high school sports and performing arts for a wide variety of reason, not the least of which is to have fun. It is important that the NSAA and member schools regularly strive to cultivate high school activities as educational activities. The positive life lessons learned while participating help make the case for sports and activities in our high schools.

Many studies have shown the value of participation. Studies have shown that students not only have the enjoyment of participating in high school activities, but such students generally attain higher academic achievement, exhibit healthier behaviors, experience fewer discipline referrals and drop out of school less frequently. High school activities are, indeed, the other half of education.

The NSAA staff and its member schools are pleased to be able to offer participation opportunities to this state's high school students in athletics and performing arts activities annually.

Please join us in saluting the students participating in this Championship! The "future" competes here!

Dr. Jim Tenopir
NSAA Executive Director

All first place medals plus the gold medal will be presented on the awards stand at the center of the field at the same time. Second through eighth place medals may be picked up at the south end of the track, in the awards tent, as in the past. The awards presentations will begin **at approximately 11 a.m.** on Saturday and continue through the Saturday afternoon schedule. If an athlete is not available for the presentation at the scheduled time he/she may pick up the first place medal at the awards stand area at the center of the field. Medals other than first place should be picked up at the awards tent at the south end of the track, as soon as possible following the final results of an event.

The first place medals for each class will be presented by the NSAA Board of Directors. Either the athlete's **HEAD COACH OR ASSISTANT COACH** who is employed by his/her school district may choose to present the overall gold medal only. **PLEASE** do not ask for a relative or friend to make the presentation, the request will be denied. Parents and spectators are not allowed on the infield to take pictures. An awards platform for pictures is set up outside the south game entrance to the track to allow coaches, parents and spectators to take photos. Callam Photography, the official photographers of the NSAA, will be photographing the entire individual and team awards presentations at the awards stand at the center of the infield. Following the State Track and Field Meet, these photos will be posted on the Callam Sports Photography website www.callamsportsphoto.com and will be available for purchase.

Always there
to help brighten Nebraska's playing fields.

Contests of skill, strength and courage don't stop for summer sunsets. Or when we take our games inside to escape winter's cold winds. As lights keep shining in the Husker state, it's our promise to always be there when you need us. Illuminating lives.

Proud to support Nebraska's student-athletes.
