NSAA STATE CHAMPIONSHIPS

FEBRUARY 24, 2018
KEARNEY

"NSAA activities...the other half of education."

2017-2018 NSAA OFFICIAL
CHAMPIONSHIP PROGRAM

Dear Friends:

Welcome to another competition of Nebraska's state championship games!

Congratulations to the students who have earned a chance to represent your school at this event. This is a very exciting time, and you should all be proud of the time and hard work you put in to get to this point.

Thank you to the coaches, parents, and guardians who support our talented young Nebraskans. Participants, make sure you also take the time to thank those who support you and have helped you succeed in your efforts.

The character, discipline, and drive taught by extracurricular activities like these ensure that students have the ability to succeed long after graduation. These competitions encourage our students to aim big, work hard, and take responsibility for themselves.

Win or lose, you all will take away experiences, friends, and memories that will last for a lifetime.

Best wishes for a safe and exciting competition!

Sincerely,
Pete Ricketts
Governor

High school activities are, indeed, the other half of education!

The lessons learned through participation in high school activities include the values of teamwork, diversity, work ethic, responsibility, and a sense of community. Many studies have shown the value of participation. Students not only have the enjoyment of participating in high school activities, but such students generally attain higher academic achievement, exhibit healthier behaviors, experience fewer discipline referrals and drop out of school less frequently.

We salute the member high schools across this state that understand the values attributed to activities participation. Schools contribute time, money and efforts to assure that high school students have excellent participation opportunities. Through NSAA activities, students are able to develop and showcase their talents.

This Championship is the culmination of the hard work and efforts by students, coaches and sponsors. So to those high school students who have reached this Championship, we say congratulations and good luck!

It is our pleasure to be able to offer participation opportunities to this state's high school students in sports and performing arts activities annually.

Please join us in recognizing the student participating in this Championship! The "future" competes here!

Dr. Jim Tenopir
NSAA Executive Director

COMPETITION FORMAT

All teams will be placed (according to seed) in an 8- team bracket and compete in three duals in one day. The first round winners will advance to the semi-finals with the teams losing in the first round competing in the consolation bracket. The consolation bracket will be wrestled out for 5th and 6th places. Second round winners in the consolation round will advance to the 5th place dual. Semi-final winners will advance to the finals with semi-final losers competing against each other for 3rd place. The teams will finish competition placing 1st -6th place with the top four teams being awarded NSAA Dual Wrestling Championship trophies.

Individual Medals

Individual medals will not be provided but can be ordered through the NSAA website at the cost of the school.

Weight Allowance

1. For teams that qualify for the State Dual Championship, each wrestler's weights from district and the state championships (if a qualifier) must be entered into the weight management program (Trackwrestling) so that the weigh-in sheets reflect the correct descent plan for that wrestler at the State Dual Championship weigh-ins. Each wrestler will get a 4 pound weight allowance from scratch weight. Example: the 120 pound weight class would be able to weigh 124 per NFHS Rules.
2. No wrestler will be allowed to weigh-in and compete at a weight class lower than the weight that they qualify for according to their individual weight loss plan and that they have competed in during the regular season.
3. A contestant shall not wrestle more than one weight class above that class for which the actual weight, at the time of weigh-in, qualifies the competitor for. (NFHS Rule 4-4-3)

Eligible Contestants

1. A team wrestling roster of each school that qualifies for the Dual Championships shall be submitted to the NSAA no later than 3:00 pm CST on the Monday directly following the individual State Championship.
2. Each school will be allowed to weigh in 20 competitors for the Dual Championships.

Contestant/Coach Passes

Each team qualifying for the Dual Championships will be permitted 20 contestant passes and 4 coach passes. The roster, along with a list of the coaches shall be submitted to the NSAA by the Athletic Director of the participating school no later than 3 pm CST on the Monday directly following the individual State Championship.
