NSAA STATE CHAMPIONSHIPS

\$4

"NSAA activities...the other half of education."

NOVEMBER 8-10, 2018

LINCOLN

Dear Friends:

Welcome to another competition of Nebraska's state championship games!

Congratulations to the students who have earned a chance to represent your school at this event. This is a very exciting time, and you should all be proud of the time and hard work you put in to get to this point.

Thank you to the coaches, parents, and guardians who support our talented young Nebraskans. Participants, make sure you also take the time to thank those who support you and have helped you succeed in your efforts.

The character, discipline, and drive taught by extracurricular activities like these ensure that students have the ability to succeed long after graduation. These competitions encourage our students to aim big, work hard, and take responsibility for themselves.

Win or lose, you all will take away experiences, friends, and memories that will last for a lifetime.

Best wishes for a safe and exciting competition!

Sincerely,

Pete Ricketts
Governor

"High school activities, the other half of education!"

Congratulations to the student participants, their parents, and the schools they represent on qualifying for the NSAA state championship activities. We welcome you and applaud your hard work and dedication. The time, effort, and commitment you have put into your activity has paid off and you should be very proud of this accomplishment.

The Nebraska School Activities Association is proud of the educational based activities that we provide to our schools for our students. Our mission is to promote the high ideals of citizenship, fair competition, sportsmanship, and teamwork in an effort to complement our member schools' curricular programs.

Perhaps cliché, but definitely true, today's students are tomorrow's leaders. Events like our championships help to form these leaders by instilling values and leadership qualities while rounding out their educational experiences.

None of this would be possible without the incredible dedication and commitment of the many outstanding teachers, coaches, and administrators throughout Nebraska. These educators, together with strong support from parents, patrons, and fans like you, provide our children a solid foundation for their future success.

Once again, congratulations, and good luck!!

Jay Bellar
NSAA Executive Director

A DIG is the reception of an attack that keeps the ball in play by the first receiving player who passes the ball directly from an attack.

NOTE: Coaches MUST maintain records according to NSAA statistic definitions. Keep for reference and submit record updates within one week after state tournament. Coaches are asked to submit school records in the digs category. Please indicate NSAA class for the year the digs record was set.

For career records, if a player spent the majority of her varsity career in one class, her records must be submitted for that class. If a player spent an equal number of years in two classes, the career record must be submitted for the class she competed in her senior year.

The NSAA may ask for a film/video to double-check accuracy on record applications for single match records and/or a sampling on season or career records.
