NSAA STATE CHAMPIONSHIPS

\$4

"NSAA activities...the other half of education."

FEBRUARY 2, 2019

KEARNEY

Dear Friends:

Welcome to another competition of Nebraska's state championship games!

Congratulations to the students who have earned a chance to represent your school at this event. This is a very exciting time, and you should all be proud of the time and hard work you put in to get to this point.

Thank you to the coaches, parents, and guardians who support our talented young Nebraskans. Participants, make sure you also take the time to thank those who support you and have helped you succeed in your efforts.

The character, discipline, and drive taught by extracurricular activities like these ensure that students have the ability to succeed long after graduation. These competitions encourage our students to aim big, work hard, and take responsibility for themselves.

Win or lose, you all will take away experiences, friends, and memories that will last for a lifetime.

Best wishes for a safe and exciting competition!

Sincerely,

Pete Ricketts
Governor

"High school activities, the other half of education!"

Congratulations to the student participants, their parents, and the schools they represent on qualifying for the NSAA state championship activities. We welcome you and applaud your hard work and dedication. The time, effort, and commitment you have put into your activity has paid off and you should be very proud of this accomplishment.

The Nebraska School Activities Association is proud of the educational based activities that we provide to our schools for our students. Our mission is to promote the high ideals of citizenship, fair competition, sportsmanship, and teamwork in an effort to complement our member schools' curricular programs.

Perhaps cliché, but definitely true, today's students are tomorrow's leaders. Events like our championships help to form these leaders by instilling values and leadership qualities while rounding out their educational experiences.

None of this would be possible without the incredible dedication and commitment of the many outstanding teachers, coaches, and administrators throughout Nebraska. These educators, together with strong support from parents, patrons, and fans like you, provide our children a solid foundation for their future success.

Once again, congratulations, and good luck!!

Jay Bellar
NSAA Executive Director

NSAA Dual Wrestling Championship

COMPETITION FORMAT

All teams will be placed (according to seed) in an 8- team bracket. The first round winners will advance to the semi-finals with the teams losing in the first round competing in the consolation bracket. The consolation bracket will be wrestled out for 5th and 6th places. Second round winners in the consolation round will advance to the 5th place dual. Semi-final winners will advance to the finals with semi-final losers competing against each other for 3rd place. The teams will finish competition placing 1st -6th place with the top four teams being awarded NSAA Dual Wrestling Championship trophies.

Individual Medals

Individual medals will not be provided but can be ordered through the NSAA website at the cost of the school.

Weight Allowance

1. For teams that qualify for the State Dual Championship, each wrestler's weights from district and the state championships (if a qualifier) must be entered into the weight management program (Trackwrestling) so that the weigh-in sheets reflect the correct descent plan for that wrestler at the State Dual Championship weigh-ins. Each wrestler will get a 2 pound weight allowance from scratch weight. Example: the 120 pound weight class would be able to weigh 122 per NFHS Rules. All Schools will be notified if there will be any consecutive day allowance given.
2. No wrestler will be allowed to weigh-in and compete at a weight class lower than the weight that they qualify for according to their individual weight loss plan and that they have competed in during the regular season.
3. A contestant shall not wrestle more than one weight class above that class for which the actual weight, at the time of weigh-in, qualifies the competitor for. (NFHS Rule 4-4-3)

Eligible Contestants

1. A team wrestling roster of each school that qualifies for the Dual Championships shall be submitted to the NSAA no later than 3:00 pm CST on the Monday of Week 31, prior to the Dual Championship.
2. Each school will be allowed to weigh in 20 competitors for the Dual Championships.

Contestant/Coach Passes

Each team qualifying for the Dual Championships will be permitted 20 contestant passes and 4 coach passes. The roster, along with a list of the coaches shall be submitted to the NSAA by the Athletic Director of the participating school no later than 3 pm CST on the Monday of Week 31, prior to the Dual Championship.
