NSAA STATE CHAMPIONSHIPS

\$4

"NSAA activities...the other half of education."

MAY 16-17, 2019

CLASS A-OMAHA | CLASS B-LINCOLN

Dear Friends:

Welcome to another competition of Nebraska's state championship games!

Congratulations to the students who have earned a chance to represent your school at this event. This is a very exciting time, and you should all be proud of the time and hard work you put in to get to this point.

Thank you to the coaches, parents, and guardians who support our talented young Nebraskans. Participants, make sure you also take the time to thank those who support you and have helped you succeed in your efforts.

The character, discipline, and drive taught by extracurricular activities like these ensure that students have the ability to succeed long after graduation. These competitions encourage our students to aim big, work hard, and take responsibility for themselves.

Win or lose, you all will take away experiences, friends, and memories that will last for a lifetime.

Best wishes for a safe and exciting competition!

Sincerely,

Pete Ricketts  
Governor

---

"High school activities, the other half of education!"

Congratulations to the student participants, their parents, and the schools they represent on qualifying for the NSAA state championship activities. We welcome you and applaud your hard work and dedication. The time, effort, and commitment you have put into your activity has paid off and you should be very proud of this accomplishment.

The Nebraska School Activities Association is proud of the educational based activities that we provide to our schools for our students. Our mission is to promote the high ideals of citizenship, fair competition, sportsmanship, and teamwork in an effort to complement our member schools' curricular programs.

Perhaps cliché, but definitely true, today's students are tomorrow's leaders. Events like our championships help to form these leaders by instilling values and leadership qualities while rounding out their educational experiences.

None of this would be possible without the incredible dedication and commitment of the many outstanding teachers, coaches, and administrators throughout Nebraska. These educators, together with strong support from parents, patrons, and fans like you, provide our children a solid foundation for their future success.

Once again, congratulations, and good luck!!

Jay Bellar  
NSAA Executive Director

### Nebraska School Activities Association Coaching Guidelines

Coaching shall be permitted during a match with the following guidelines:

- Only the certified head coach of the high school and certified assistant coach as designated by that school's administration is allowed to coach.
- A player may be coached during a set break and when the player(s) change ends at the end of the game, but not when the player(s) change ends after the first game of each set and during the tie-break game.
- Coaching is limited to 60 seconds.
- The player does not leave the court.
- The coach does not enter the court.
- Coaching is not allowed on change-over during a tie-break.

Head coaches designated by the school's administration will be issued a wristband that the coach must wear for the entire championship. This wristband will designate the assigned head coach as the only person who is allowed to coach their athletes.

In addition to enforcement by opposing coaches, the court supervisors will be monitoring the coaching rule.

Thank you for your cooperation.
