State Journalism Contest Information

The State Journalism Championship is the only Nebraska School Activities Association event in which students, regardless of their classification, compete side-by-side against one another to determine a "true" state champion. Based on entries submitted for preliminary judging, the top-12 overall entries, regardless of classification, qualify for the State Finals. The individual event champion in Classes A1, A2, B, C and D, not listed among the top-12 also qualify for the State Finals. Alternates to the top-12 were also selected. The top alternates have been invited to compete at the state competition when a member of the top-12 or an individual class champion is unable to compete.

Competitors in each of the 17 categories will be given an assignment. The competitors will have a one-hour time limit to complete a story, layout, editorial cartoon or theme. College professors and newspaper professionals judge each event and select the top-six place finishers, who will be presented medals at the awards ceremony. The top-six medal winners in graphic illustration, in-depth newspaper coverage, photo illustration and sports/action photography, were selected from the preliminary results. Individuals in those three events will also be honored with medals at the awards ceremony.

2012-13 U.S. CELLULAR® CUP STANDINGS

The Nebraska School Activities Association is pleased to announce the current standings for The U.S. Cellular Cup, the NSAA All-Activities Award for Nebraska high schools. The annual awards program, which began in 2007 to recognize the state's most successful high school athletic and fine arts programs, is presented to the 12 Nebraska high schools which earn the most points during the school year by participating in NSAA education-based activity programs.

The U.S. Cellular Cup is presented to the winning schools in the four classes of the All-School Division, Girls Division and Boys Division during special ceremonies the following fall.

U.S. CELLULAR CUP DETAILS & POINT SYSTEM

Each year the NSAA and U.S. Cellular recognize the most successful activities programs in the state with the U.S. Cellular Cup. U.S. Cellular Cup winners are determined by a point system based on participation in NSAA education-based activities and performance in state championship events within each division and class. Music, which does not have a state-level event, earns points based on participation at the district music contest.

The boys and girls competition in each class features schools earning participation and performance points from their respective activities. In the case of coed schools, the fine arts activity performance points are divided equally among a school's boys and girls U.S. Cellular Cup totals. In the all-school division, schools receive participation points for each of its NSAA registered programs, and earn additional points for placing in NSAA championship events.
