NSAA STATE CHAMPIONSHIPS

"NSAA activities...the other half of education."

Dear Friends:

Welcome to another competition of Nebraska's state championship games!

Congratulations to the students who have qualified for this year's championship. You should all be proud of the hard work and determination that have propelled you to this point.

Your achievement as a championship competitor has been made possible by the support you've received along the way. Be sure to thank everyone who has helped you get here. I want to extend my personal gratitude to coaches, parents, and guardians who have invested in our talented young Nebraskans.

Extracurricular activities like these give students the skills and abilities to ensure success long after they finish school. There are few better settings to develop character than in extracurricular contests. These competitions encourage our students to dream big, persevere, and work as a team.

Win or lose, I hope that this competition provides you with friendships and memories that are lifelong. Best wishes for a safe and successful competition!

Sincerely,
Pete Ricketts
Governor

"High school activities, the other half of education!"

Congratulations to the student participants, their parents, and the schools they represent on qualifying for the NSAA state championship activities. We welcome you and applaud your hard work and dedication. The time, effort, and commitment you have put into your activity has paid off and you should be very proud of this accomplishment.

The Nebraska School Activities Association is proud of the educational based activities that we provide to our schools for our students. Our mission is to promote the high ideals of citizenship, fair competition, sportsmanship, and teamwork in an effort to complement our member schools' curricular programs.

Perhaps cliché, but definitely true, today's students are tomorrow's leaders. Events like our championships help to form these leaders by instilling values and leadership qualities while rounding out their educational experiences.

None of this would be possible without the incredible dedication and commitment of the many outstanding teachers, coaches, and administrators throughout Nebraska. These educators, together with strong support from parents, patrons, and fans like you, provide our children a solid foundation for their future success.

Once again, congratulations, and good luck!

Jay Bellar
