Public parking will be available on a first come, first served basis, all days in the Festival Space and premium garage for \$5.00.

All team filled buses will utilize **Gate 2** to park their bus and enter the arena. Only buses with teams and coaches will be allowed to utilize this gate for parking. They will enter into the arena through the door on the right-hand side of Dock 1. There will be attendants present to assist with this and a sign that states, "Team Entrance."

Gate 4 will be for NSAA officials and is a permit parking only gate.

All cheerleaders, bands, etc. can be dropped off on R Street in front of the arena and then we ask that the buses park in the Festival Space at no charge. If they aren't dropping off, they are more than welcome to use the pedestrian bridge to come over to the arena. There will be no street closures for any of these days. All bands must enter into the building on the south side through the main entrance. They will not be allowed to enter through the team entrance.
