ORDER FORM FOR NSAA PUBLICATIONS

2023-2024

Each member high school is sent the following without charge:

***THREE** -- **Daily Planners** – 2023-2024, 2024-2025, (1 of 3 sent directly to Superintendent)

***TWO** -- **NSAA Activities Wall Calendars**, 2023-2024 (1 of 2 sent directly to Superintendent)

*This form may be used to order additional copies of NSAA publications
or materials that schools may need.*

To keep prices down for Member Schools, a two-tier cost has been developed. AD's, Principals, and Superintendents may wish to check with middle schools and junior highs in their district to see if those schools also need publications on this form. To receive the lower "Member School Cost," the order form **MUST** be accompanied by a **SCHOOL CHECK**. If not accompanied by a school check, the cost of the publications will be the higher "Non-Member School Cost."
