There are 42 students and
ONLY 2 coaches.

You must respect practice time.

Be positive.

Live up to the high standards by
respecting the process.

One Act Expectations

Grievances Process

Student actors should talk with coaches in a respectful manner first. We will respect you. You need to respect us.

If there is an issue, we will meet with parents **WITH** the student present.

If there is still an issue, we will ask the administration to mediate and help us resolve any issues.
