IT'S A JUDGE THING

Play Production and Speech Judges will notice a new look to their judging pages this year. Your Personal Development Inventory is your spot to shine. In this area of your judging page, you can tell the NSAA exactly what you've been up to, including NFHS courses taken, conferences you've attended, etc. Are you a new judge? You can even upload recommendations from other directors and coaches.

SEPTEMBER TRIVIA QUESTION

Click the link to the left and correctly answer this month's question to be in the drawing for some NSAA swag!

Congratulations to our August winner: Jarod Ockander from David City. Jarod correctly answered that the NSAA was established in 1910.
