NSAA STATE CHAMPIONSHIP COACH AWARD ORDER FORM
Mail to: NSAA, 500 Charleston Street – Suite #1, Lincoln, NE 68508-1119

The Nebraska School Activities Association provides awards to head coaches of state championship teams in activities in which the NSAA sponsors a state championship event.

The NSAA purchases these awards, just as it provides individual medallions and team trophies at the state meets.

In addition, schools may purchase an award for assistant coaches of state championship teams. It is similar to the head coach's award, with a modified plate which says Assistant Coach. These cost \$20.00 each and may be ordered by using this form. The NSAA will forward the order to the manufacturer and all assistant coach awards for that school in the sport listed will be sent by the manufacturer directly to the "send to" address listed on the form. Submit an order for each sport. Schools may duplicate this order form.
